DEDICATION

MR. D. CLOTHIER

Mr. Clothier completed his high school education at Epsom School in Surrey, England.

Upon graduation he joined the Royal Fusiliers where he started playing the oboe with the band.

Following this phase of his career, he studies at the Guild Hall in London, England followed by instruction under a noted professor at the Berlin Conservatory of Music.

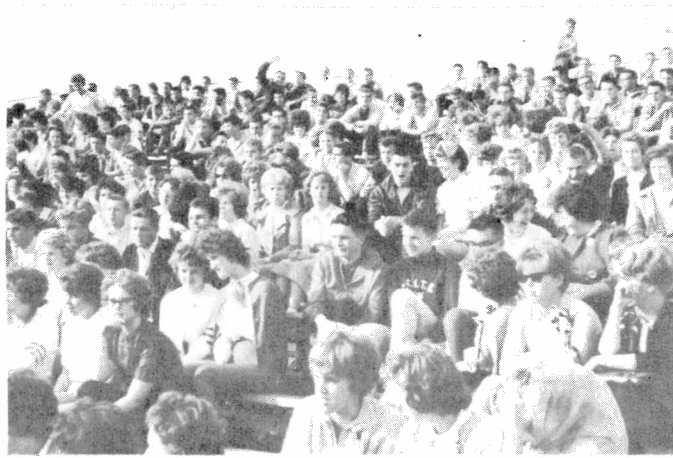

During these years, Mr. Clothier not only became a specialist on the oboe, but also proficient on many other instruments. When he married and moved to Canada his background led him into the teaching field. After a short stay in the R.A.F. Band he taught in Hawksbury, then settled in Sarnia.

Although he is comparatively new to S.C.I. & T.S., he has already become one of the best known teachers on the staff.

He is a talented and clever fellow who is never above adding a little "Clothier Humour" to any situation.

Being a naturally modest and unassuming man, he accepts no credit when all his hours of work and endeavour turn into great successes. He stands by and lavishes praise on whoever happens to be handy just to keep out of the lime-light.

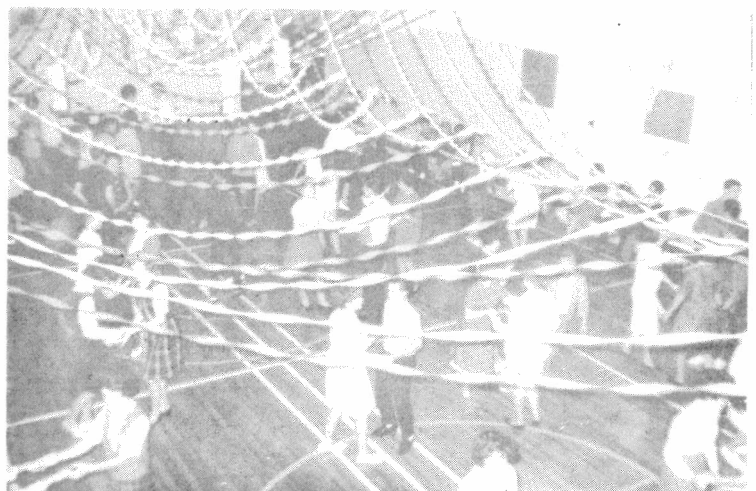

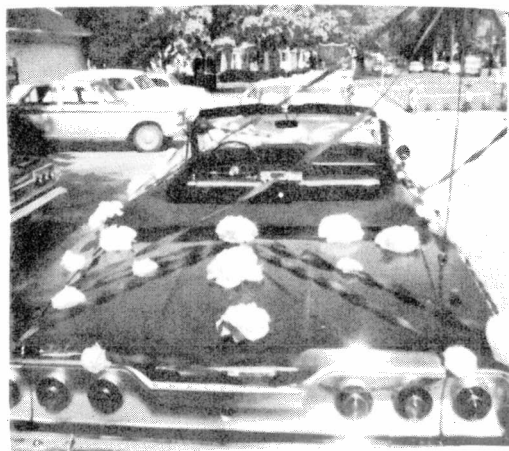

His efforts, however, have not gone unnoticed, and to show the enormous amount of respect, appreciation, and fondness the students at our school have for him, we heartily dedicate this the Forty-ninth Annual Ad Astra to our Mr. C., SCI & TS' David Clothier.

Foreward

*"Character is higher than intellect.
A great soul will be strong to live,
As well as to think."*

Emerson

"Non scholae sed vitae discemus"

Two of my previous themes for the foreword in the Ad Astra have been based on the words THINK and WORK. This year I would add a still more important ingredient for success in education — CHARACTER.

One of the greatest leaders in the United States, Abraham Lincoln said: "Let us have faith that right makes might, and in that faith let us to the end dare to do our duty as we understand it." Any student who fails to develop in his moral life is like a ship without a helmsman. He is drifting in the tide of life and when the storms descend no anchor will hold to sustain him.

All of us must constantly strive to develop our bodies, minds, and social endeavours but we must put first things first if we would truly gain in favour with man and God. Solomon, the wisest man who ever inhabited the face of earth, said: "The fear of the Lord is the beginning of wisdom and the knowledge of the holy is understanding".

The greatest joy that teachers experience comes through seeing our boys and girls "make good" in the harder lessons of life. Only the development of spiritual values will enable students to do this.

*"We all are blind until we see
That in the human plan
Nothing is worth the making if
It does not make the man."*

*Why build these cities glorious
If man unbuilt goes?
In vain we build the world unless
The builder also grows."*

Edwin Markham

In conclusion I would again thank the staff of the Ad Astra for recording the memorable events of 1963. The staff and students of S.C.I.&T.S. are indebted to you for services during this school year.

Editorial

ALAN PIPPARD

Last year in his "FOREWORD" our principal Mr. Saunders based his remarks on the word "WORK". During the past year I think the students of this school have accomplished just that and we can very proudly say we have done this with a great deal of success. The graduating class of this year showed their advancement by winning innumerable scholarships and bursaries and they have left us with the Torch of Learning, a beacon for us to follow as we climb the steps of education to our dream of success in the ever-changing future.

The Scits club and the Drama club of the school have again this year staged excellent entertainment in their shows which truly demonstrate they are ever improving in the Arts. Our school Band under the direction of Mr. Clothier has expanded its scope to concerts, radio programmes and many fine performances in the Music Festival.

The sports teams of the Blue and White have worn their colours proudly and have displayed their good sportsmanship and skill. This has enabled the senior school to dominate in sports. Our teams have won city championships in Football, Senior Basketball, Volleyball and our Gym team has won the WOSSA title for the second straight year.

Of our achievements we can be justly proud; however, let us not rest on our laurels, but endeavour evermore persistently to keep this the Senior school.

My Editorial would not be complete without expressing my disappointment in the general lack of support of your school magazine. It is a valuable record of a great year at S.C.I.&T.S. This year sales have been very poor and if this half-a-century tradition is to continue, you must support it. I feel one simple solution to this problem would be for every student to pay an additional \$1.00 on his locker fee at the start of the school year to cover the cost of the magazine. This would provide everyone with a copy of Ad Astra and relieve the magazine staff of the big job of selling.

It has been a privilege and honour to be the Editor of this year's magazine and I would like to thank all those who have made it's publication possible. Once again Mr. Galpin has been our most able and understanding staff Advisor, assisted by Miss Hill. It has been a pleasure to work with Kerry Kirby, my layout editor and all the other members of the magazine staff. Our thanks also for the assistance given us by Mr. Saunders and Mr. Pate, by the Key Club in obtaining the advertising and by the Commercial Department in typing our copy.

May pride, fond memories and enjoyment be yours as you browse through your 9th edition of the Ad Astra Annual.

Valedictory Address

Mr. Saunders, distinguished guests, fellow graduates, ladies and gentlemen:

Many of you, right now, are remembering the night you graduated from high school — the excitement of seeing former classmates and renewing old acquaintances; of meeting teachers, not as tyrants, but as friends; of wandering down the familiar corridors once more; and above all, of walking across the stage to shake the hand of a dignitary and receive that hard-worked-for diploma. And yet for some of us this is the night, the climax of the activities of the past 5 years, graduation night.

We first walked up the front steps of S.C.I. & T.S. as Grade IX students, the strained look of confidence on our faces covering the fear and excitement in our hearts. Could anyone tell we were new here? What a bewildering number of teachers, all of whose names it was necessary to remember and the endless seating plans. Grade IX, the year of timidity at football games, of hero-worshipping the Grade XIII students and the beginning of friendships that would last through all our high school days, and beyond.

As students in Grade X we walked with confidence up those steps, smugly looking down on the bewildered faces of our successors to the despised name, "Grade niners". For many of us, Grade X was the first year for taking part in inter-school athletics and there was a sense of pride and duty in realizing it was up to us to give our school a place of prominence in the city, the acknowledged name "the Best in Sarnia".

Grade XI, our high school careers half over, and what did we have to show for it? An Intermediate Graduation Diploma? A basketball tab? A hazy idea of geometry theorems or perhaps the principles of business practice? This was the year to DO something specific — to offer at least one opinion in a history discussion, with or without the encouragement of Mr. Steven's pointed yardstick; to make the first string football team; to take our little books home and get an A in French; to win a school letter — these were the aims. And somehow in the maze of campaign speeches, books, volleyballs, and car washes Grade XI too passed.

Seniors at last! Surprisingly enough it was not as attractive as it had seemed to be in looking forward to it back in Grade IX. It was a busy year, squeezing homework between athletic events and club meetings. For commercial and technical students it was the last year — the year to write a perfect NOMA paper, to show up the Grade XIII students in the final chemistry exam, the year to choose a career, to apply for a job and work to meet the requirements of that position.

And for the rest of us, our final year came quickly. We cheered lustily and wholeheartedly at the football games with true school spirit, we tried to make the S.C.I. & T.S. Revue the best ever, the school magazine one to remember, to set precedents which we secretly hoped would never be equalled. But under our enthusiasm and outward non-chalance, we felt an element of fear. Were

those departmental exams really as hard as everyone said? What if our efforts in other years were wasted by a temporary loss of memory at the very end? But the exams came and with them all the ceremony of numbered desks, sealed envelopes, and affidavits testifying to our honesty. Then the results were announced . . . and here we stand, at the end of five years, clutching our diplomas and looking toward the future.

The French translation of "valedictory" is "discours d'adieu", "good-bye speech". Tonight we must say good-bye to many of our friends who have made our high school days so enjoyable. We have matured together sharing laughter, sorrow, pride, and disappointment. May we never forget each other in the years to come.

But tonight is also the "commencement", the time for stepping forth into the unknown alone but we go with the knowledge that there is One of all wisdom Who guides us, Whose Word is a "lamp to our feet and a light to our path".

In our excitement tonight let us not forget to acknowledge those who have led us.

Our teachers — We hated your tests and your homework assignments, but we hated them with the realization that they were a very necessary part of our education. We admired you for understanding that we did not mean the nicknames we gave you, for tolerating our stubborn opinions in discussions, and for spending time with us individually when we were discouraged and confused. We learned to respect you as humans with feelings like our own.

Our parents — For the encouragement you gave us when books seemed so uninviting, for the help you tried to give us with our homework, for the feeling of failure you felt which somehow was transmitted to us when we failed, and for the proud smiles you gave us when we succeeded and above all for the faith and confidence you gave us in ourselves — for these things we are grateful.

Many of the things we have learned here in the past five years will be forgotten — the chemical equation, the historical data, the Latin declensions, —but some things we can never forget — the excitement of the opening night of S.C.I. & T.S. Revue, the tenseness of that moment when books are put away and examination paper is handed out, the cheers and laughter after a football victory, and the quiet rustle followed by enthusiastic applause as one girl of character and courage whose name stands as a memorial in this school receives a standing ovation, the beating of a ball on the gym floor in the hush before a final free throw, the watery eyes, but smiling faces of friends as we hear the school song played for the last time — these things we will never forget for they have become part of us, part of our characters, and part of our future.

May the knowledge that we have gained here of the world around us, the understanding of others and of ourselves never be forgotten and may we never cease to learn.

School of Nursing

Offers an approved course to High School Graduates seventeen years of age and over. The minimum entrance requirement is the Secondary School Graduation Diploma with four options, one of which is science, but preference will be given to students who have more than the minimum requirement, when factors such as interest and aptitude seem equal.

It is an advantage for students to complete Grade 13 before entering the nursing school. Students registering in Grade 13 should consult University Calendars for assistance in choosing courses so post graduate education will be possible for those who wish to go on after nursing school.

Address enquiries to the **DIRECTOR, SCHOOL OF NURSING**

PETER BEDDALL

Pete is one of the industrious students of S.C.I.T.S. and his marks show it. But Pete is not "all work and no play". He is active in the Key Club, Math and Science clubs. In the summer he enjoys skin diving and remains a devout follower of the Canadiens. Despite these drawbacks he plans to attend University of Western Ontario enrolled in honours Chemistry.

RICHARD ALEXANDER

Rick is one of the few, hard-working people in Grade 13, intending to take Chemical Engineering at Queen's next year. He has been active in school activities, nevertheless, especially the Key Club of which he is a former president, and also finds time to take pictures of his enemies, talk about 'Peanuts', sail, and ski. We all wish him the best of luck.

HAYWARD BEST

Hayward has been an outstanding student at S.C.I.&T.S. although he has given up club activities to devote his time to studies, but we know better. From the money he has earned selling Christmas cards at Easter, he plans to attend Queen's University to study engineering. Every morning he may be seen at the water fountain front of Mr. Scott's room saying "Hey Geoff, can I buy you a drink?" Our highest hopes go with Hayward in the upcoming years.

JOHN BENNETT

A newcomer to S.C.I.&T.S. this year, John has taken an active part in school activities, participating in the Band, floor hockey and swimming. His chief extra-curricular interests are scuba diving and a certain B.M. John plans to study Dentistry at U. of T. next year. Best of luck, John.

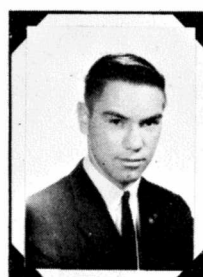

FLORENCE KINGSTON

This blue-eyed blonde has been very active in almost everything — all Inter Form sports, Drama Club, city, referee, School Queen last year, Senior Letterman, S.C.I. & T.S. Review Ecclessia — and 2nd class honours throughout the five years. Western will undoubtedly welcome Florence Kingston's enthusiastic patronage when she undertakes an Honours course in languages next year.

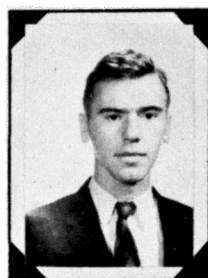

NANCY MOWRY

Nancy Mowry has attended S.C.I.T.S. throughout her high school career. She has participated in Interform Sports. Nancy hopes to be accepted by the United States Air Force and train to be an I.B.M. operator. Her pet peeve is fifth period in the morning. She can be seen on Sunday afternoons at the arena watching the hockey games.

ROY BLACKSHAW

An honor student throughout his years at S.C.I.&T.S., Roy has taken an active part in school activities, including Key Club, Ecclessia, Band and Letterman's Club as well as volleyball, swimming and inter-house sports. His chief interests are water-skiing, tennis and a certain W. W. Next year Roy will begin studies in Medicine at U.W.O. Good luck Roy and every success for the future.

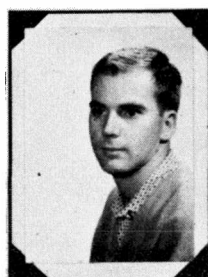

REINHOLD BRANT

Reinhold came to General 13 from Tech. At present he has little time for recreation because he is busy with his work. Some sports that he is interested in are basketball and football. He hopes to continue his education somehow, but as yet, has no definite plans.

HENRY BUIZA

Henry player defensive tackle (66) for our football team. He also likes to swim and play ice and floor hockey. Henry is taking straight math and science course and hopes to become a chemical engineer at the University of Waterloo. Good luck to you Henry. You need it.

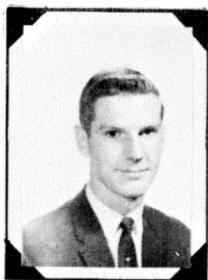

RON WARD

After working for three years, Ron has returned to S.C.I.&T.S. to complete Grade 13. Ron has received honors in grades 9 and 10. His friendly nature wins him many friends. He enjoys many sports including skating and skiing. Ron plans to enter a Science course at Waterloo University. Best of Luck Ron.

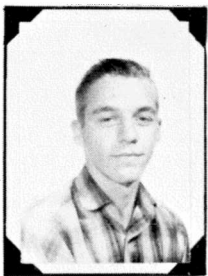

BARB COLE

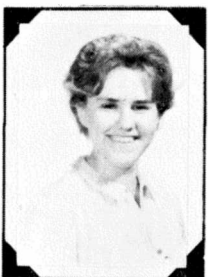

Barb has returned to Scits after spending a year at Albert College. She enjoys participating in interform sports and in her spare time has a job at Kresges. She is best known for her mad dash into class at the final bell rings. We wish her luck as she follows her chosen career in home economics.

**WARD FINCH**

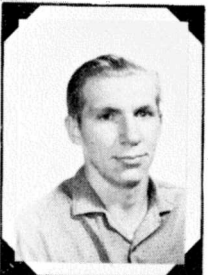

After spending five years at high school Ward is now entering his sixth. He divides his time between losing at pool at noon hour and explaining what he did at night. Next year he plans to attend university, where he hopes to take part in mad tea parties. Upon graduation, Ward will travel to Greenland to set up a business catching condors.

**EARLING KERN**

Our lifeguard with a camera is fun-loving Earl Kern. He's an average guy, gets average marks and has an average ambition — he wants to be an engineer. Western University is his goal next year because he says they have the cutest girls. He likes to drive and is an expert in parking. We wish him success — 'cause he's a nut (true).

**ROSE "Bubbles" BROWN**

Rose has given a lot of her time to activities around the school. A few of these are inter mural sports, the S.C.I.T.S. Revue and S.C.I.T.S. reporters. On Sundays sweet Rose can be found teaching Sunday School St. Georges. Next year Rose plans to attend Western and later become a math teacher, "ich". Rose's Pet Peeve is boys who run out of gas.

**BEN VELDHUYZEN**

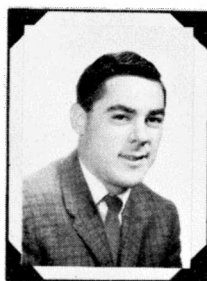

A quiet, hardworking guy has finally beaten his way out of the wilderness of St. Clair and returned to complete his education. He enjoys all types of sports and in the future hopes to participate in the manly art of truck driving. His humour and handwork should be an asset to any company. Ben, Good Luck.

**PAUL HICKS**

Paul is a casual student who has come back to SCITS after a vacation at St. Clair. When not driving a gree Austin down the sidewalk he can be found taking Judo at the "Y". His main interest is math in which he plans to major at the University of Waterloo. We all wish Paul the best of luck in the future.

**BEVERLEY BLACK**

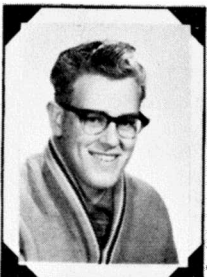

Bev's outstanding characteristic is her ability to get her German done in chemistry. She delights in zoology, the dissections primarily, and plans on attending Western next year on a scholarship to become a M.D. Bev has been active in sports. She is on the rifle team and participated in curling. An honour letter holder, she is sure to make a success of any future endeavor.

**JOHN GIBB**

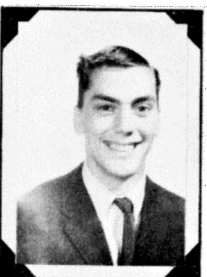

John, this year's centre offensive for the Blue Bombers, is an asset to any class with his pleasing personality. Since attending Scits, John has played in the band and participated in the Scits Revue. In his spare time, John plays drums for the "Country-men" and acts as Sunday School Secretary-Treasury. Next year John plans to attend Bowling Green. Lots of luck John.

**DOUG VOSBURG**

Doug, once described as "small but efficient" is just that! An honor student all through high school, he hopes to go on to the University of Waterloo to become an engineer. As the "poet laureat" of 13A, he entertains the class with his wit and humour. Also an athletic, he is known as the only goalie to play an entire game lying down. Best of luck, Doug!

**GEORGE SHAREN**

George, noted for those golden "locks", is a common sight around S.C.I. & T.S. and I'm sure that teachers and students of the next decade will get to know him too. His favourite pastimes are hunting red-heads, and roller-skating. George hopes to attend O.U.C. upon graduation and one of these years he may make it.

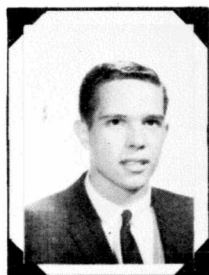

**TOM (Longdrink) MILSON**

Tom is 13A's basketball and judo pro. Next year at McGill (?) he plans to major in self-defense and will supplement his courses with some biology. Tom can be heard talking about almost anything. He is well liked by the whole class and we hope he will be successful.

**GEOFF KNAPP**

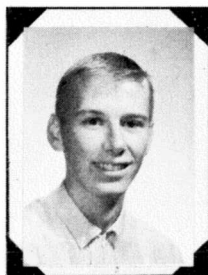

Geoff is a veteran of this school. He is noted for his gracious manners and sportsman-like conduct on the floor hockey court. Geoff always ranks at the top, usually in penalties and victims. He is also a regular patron of Finch's pool hall, and a regular loser. Should Geoff graduate, he hopes to make his living selling Gten wool blankets in the Congo. Good luck Geoff.

**DON GUERETTE**

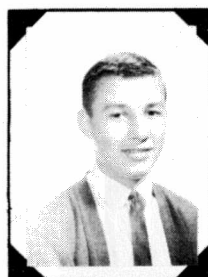

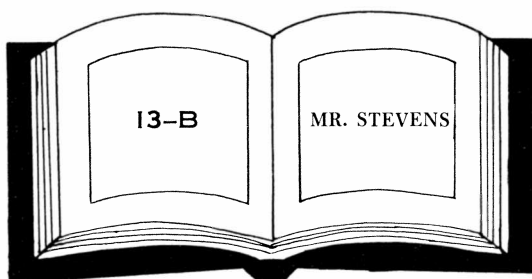

BILL CRANMER

Bill is one of the few remaining vets left at S.C.I. & T.S. His pet peeve is V. H3 - S2 and that ain't chemistry. His favourite saying is 'mmm I like that!' Bill has a multitude of hobbies, a few of which are hunting, fishing, boating, and camping. Bill is going to Western next fall so Best of Luck William from 13A.

NORM TILTMAN

"Normy" is a friend of "OURS". He will do it for hours and hours and hours Besides this, he is a real "veteran" at playing basketball, volleyball, pool, and the "role". Of course Norm intends to go to university, but his destiny is Twilight Haven where he will catch up on past years of sleep that he has missed. Oh well, "bon chance Norme".

DAVE JOHN

Dave is a well known individual around S.C.I. He climaxed a brilliant high school year by passing grade 12 with honours. He is the president of the Student's Council, a member of the Scits Club and a Letterman. Next year Dave plans to attend Western. He hopes to major in French and Latin but he will probably end up in P.T. "Good Luck Dave".

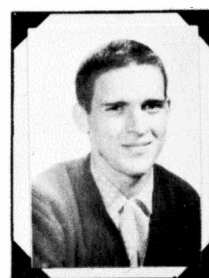

DENNIS BAIRD

For the past few years the inhabitants of SCITS have known Mr. Baird as a student and as a colleague. The Key Club's, Student's Council's, SCITS Club's and Drama Club's well-being and advancement have been sustained by this most capable of persons. This fall Dennis will transfer his studies to U. of W. O. where the faculty will educate this prospective attorney.

MARGARET KNOWLES

Besides homework "Maggie" has various other interests as a black '62 Pontiac hardtop, checking the pie and playing chauffeur on the weekend with her father's well insured Chevy. Since she has invested in a pair of Cossack boots, she has wrinkled ankles. Next year Maggie plans to attend Western to study?

B. COOK

PETER JENNINGS

Pete is a quiet, history-loving, sports enthusiast. This is his second year on our senior Basketball team and after school (when not studying) he coaches St. Pauls' bantams basketball team. He wastes the rest of his time supporting the Sarnia Legionnaires. Next year Pete will return to finish his Grade 13. Good Luck, Pete!

KATHY "Bun-head" EWENER

Between writing letters to North Carolina, wrestling in Mr. Bill's English classes, and being president of the Beatles fan club, Kathy has little time for the more serious things of life. Kathy works hard at Emily's and saves her pennies to buy a "Weebee Board". Her favorite past-time is going to Tab's and ordering ice cream cones with no "freckles".

JIM LOUCKS

Jim, better known as "Louse" to certain people, is a quiet student. He excels in geometry and English (ha,ha). His leisure time is spent supporting the high flying Legionnaires and he is one of Mr. Stevens ardent Detroit fans. His plans for the future are not definite. We all wish him the best of luck.

DONALD LIVINGSTONE

Donald is not only a wily politician but also an accredited member of the S.C.I. intelligentsia. His favorite pastime is reading Hansard, and his main interests are: Progressive Conservatives, Liberals, Socialists, Democrats, Republicans, and Pacifists. His wit is sharp and his ambitions are high. Donald plans to enter the University of Western Ontario to study Honors Political Science.

JOHN McKELLAR

John has not changed much through his school career, his chief ambition still remains to get that Grade XII diploma. John was a star basketball player in his earlier grades, but gave this up for the boys who gather every night at Red's gas station. John has a new goal in life now. Every day he can be found at a certain D. F.'s locker.

ROBERT SALTS

WAYNE THERIAULT

While Wayne has been at S.C.I.&T.S., he has participated in the Projection Club, Ad Astra, Drama Club, Science Fair and many others which cannot be mentioned now.(?) His favorite hobby is classics (cars). Before he gets too old he would like to go to California and Hawaii. His present ambition is to become a chartered accountant. Best of luck, Wayne.

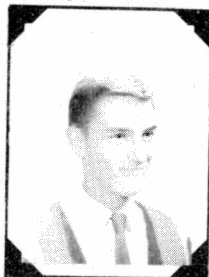

BARBARA WILLIAMS

Barb has attended SCITS for five years and next year plans to go in training at Victoria Hospital. After three years she might go to university for a Public Health degree. In previous years Barb played most interform sports. Her outside activities include Sea Rangers and teaching Sunday School. We all wish Barb the best of luck.

DONNA WATSON

Donna has a witty personality which will be a great asset to her as a nurse. Her main interests are skating, swimming, bowling and boys. After passing Grade XIII. . . She plans to become a registered nurse at the Sarnia General Hospital. Lots of luck and use it to good advantage.

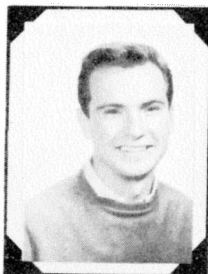

DAVE WHITFIELD

Dave's activity besides participating in Lettermen's Club, Student's Council, singing and bowling is working hard at homework and telling stories. When he's not writing checks for Mr. K. he is seen making receipts. To be the most talked about lawyer in Canada is his ambition. Dave certainly stands out in S.C.I.T.S. as an all-round student in his chosen endeavour.

DONNA WALKO

Donna's biggest assets are her long chestnut hair and deep-brown eyes. Her pursuits around the school include I.S.C. of which she is president this year, swim team, drama club, interform sports and rescuing life guards in distress. She has maintained a 70 per cent average throughout her 5-year career at Scits. Good luck in nursing!

RICK WATSON

Richard is one of the outstanding athletes at S.C.I. & T.S. this year; if you don't believe us just ask Rick. Outside of school Rick spends most of his time travelling back and forth to Courtright. Next year Rick plans to attend Western. Best of Luck?

HAROLD THOMPSON

Harold has shown his great intelligence and ability for hard work by his outstanding contribution to the SCITS REVUE. The future holds a brilliant prospect for Harold. He will be the author of the "Great Canadian Novel", in addition to being a wealthy machine politician. Next year Harold will finish Grade XIII.

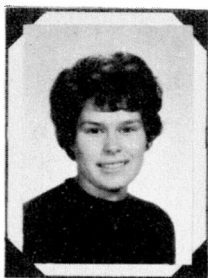

DAVE PARK

Undoubtedly the most exciting occurrence in many years, this young, sparkling gentleman has brightened dejected hearts in S.C.I.&T.S. for five years, by his outstanding participation in sports, Key club and Student's Council. Although any ardent reader may understandably query the credibility of this statement, it has complete verity, just ask him!

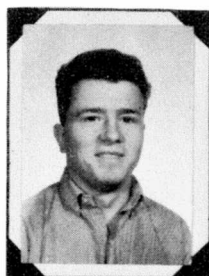

PAUL THERIAULT

"P.T." signed in 1959. Besides trying to acquire his Grade XIII Diploma in one year, Paul takes considerable interest in cars, short girls, and clothes. He also enjoys History with Mr. Stevens — and sleeping in studies. His more popular assets are a quick smile and a fanatical sense of humour. Best wishes that Paul will find a suitable role in life for himself.

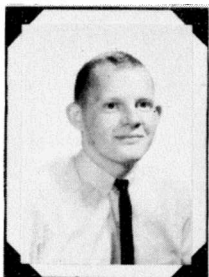

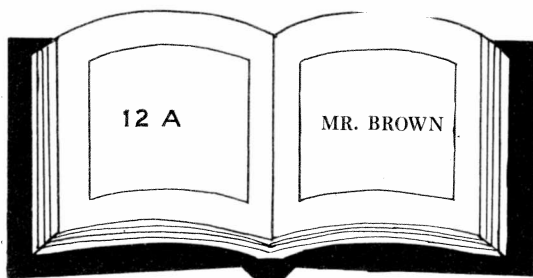

SHERILL DUNLOP

For the past five years, Sherill has been cracking up, because she hopes to go to Western next year to study Physical Education, she'll need a miracle! Sherill is often at the "Y" at Teen Town Council and "Y" Teen's (of which she is V.P.). Besides homework, her favorite pastimes are singing and raiding the boys' residence at McMaster "That's live"!

GORD HAMILTON

PETE FISHER

Brother Fisher, when not making time with a certain B.H., is found playing basketball, football, jazzing up a saxophone solo, or at the Revue practices. He also works on his 409 cubic centimeter Morris. Pete has his own methods of obtaining book reports, which sometimes fail. Pete will surely succeed in his chosen profession; "daisy petal picking".

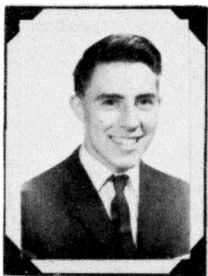

MARG MOWRY

Marg, 12A's shortest girl can be seen entering any classroom either engaged in serious talk or giggling. Marg has a grade nine and ten honour certificate to her credit. Since she entered S.C.I.T.S. she has participated in interform sports and this year is working on the Ad Astra and in the Revue. After completing 13 she wants to enter Nursing.

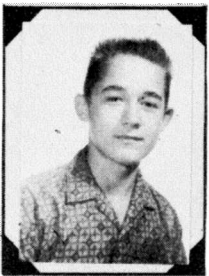

MARY ELLEN LACKIE

As president of the French Club and a member of the awards committee, Mary Ellen keeps very busy. She received honours in grades 10 and 11 and is 12A's representative on the Student's Council. After grade 13 Mary Ellen plans to attend university for a degree.

DAVE STRUTHERS

Dave is the quiet boy of 12A. Nevertheless he is active in the Key Club, SCITS Club and is past member of Math Club. His future distinction is an Honours BA in languages or History. His interests are watching late movies and standing on corners watching girls. His pet peeve is girls with long fingernails and his favourite saying is "Was kann man sagt".

BOB SIVELL

Bob Sivell plans to attend Waterloo university to take a course in engineering. His pet peeve is girl's "Bee hive Hairdo's". He claims to be an ardent hunter and fisherman, besides being notorious for his crude sayings which he writes on Mr. Stevens blackboards. We wish Bob all the luck in his future years.

SUZANNE BACKMAN

Suzanne has achieved honours throughout her career at SCI&TS. She has participated in SCITS Revue, Ad Astra, Curling, School Reporters and all interform sports. Sue can usually be seen either waiting for her girlfriends or standing at a window between 213 and 211 with a certain W.G. Next year she intends to attempt grade thirteen and then enter nursing. Best of Luck, Suzanne.

CONNIE McCRACKEN

Connie is always saying, "Is my hair ever a mess". Connie enjoys going to record hops and talking to her boyfriends friends. She has been losing her form's basketball games for the past three years. She received an honour certificate in grade 9, and plans to take C-SP next year and become a lap-sitter (secretary) in an office.

ANN GALLOWAY

"Annie" as she is called participates in clubs, the Revue, Interform Sports, and in many church activities. She achieved honours in Grades 9 and 10 and is a very pleasant person. Her future plans are Grade 13, nursing in Victoria Hospital, and maybe university. We all wish her the best of luck in her future career.

DAVID WHITTON

Dave, an honor student says he hopes to become an English or History teacher when he graduates from university (whenever that is!) He bowles Thursday's — lousy but he bowls — and was a member of this year's Scits Revue. I guess something good should be said about him. Well he's a good kid! Good-luck Dave.

IAN McKEGNEY

Ian is one of 12A's 'brighter' students having attained honours the past three years. Ian also participates in all interform sports. He is known for his quick wit and for giving wrong answers to his friends. Upon graduation Ian plans to attend university.

SHIRLEE MYLES

DIANA McKELLAR

Diana is one of those foreign students from Point Edward. She is pleasant and easy to get along with. In school she likes to participate in interform sports. She takes an active part in many church activities. After this year Diana plans to take up nursing. We all wish her the best of luck in the future.

BOB BARKWELL

Bouncing Baby Bobby Barkwell (alias B4) Bob can be found in the halls of S.C.I. & T. S. chasing Mr. C or in the music room playing on a clarinet. His interests are in music (classical or jazz), drama, science and literature. Ambition — Doctor. Fate — taking care of little Barkwell. Saying—"See, your mother dresses you funny".

BOB SWAN

Bob is the instigator of certain pranks which have occurred in Room 211. He is known for his great sense of humour. After Grade XIII he plans to go to O.A.C. in Guelph. His favourite expression is "Yea no homework". Bob has an interest in Northern. He is also a member of the band.

SUE HARRIS

After three years at Central, Sue transferred to Scits. This year Sue was a member of G.A.A. and participated in the Drama club. In the past Sue has been a school reporter for the Windsor Star and participated in all interform sports. On Saturdays and through the week she can be found working at the Public Library. Next year Sue plans to enter training in Kitchener.

DIANNE COLLEDGE

Dianne is known for playing "mean" sax and clarinet solos in our senior band where she has earned the nickname "Squeaky". After finishing school, she hopes to become a Physio-Therapist and help her fellow arthritis sufferers.

BOB COLE

Bob "Howie" Cole can be seen most days in Room 116 blowing water out of his horn. He isn't sure yet what he wants to be (Garbage man?) but he does want to attend university. He is in the S.C.I.T.S. Band, two orchestras and takes piano and horn. His favorite saying — "Get stabbed, you fool".

DAN (Gentlemen) PETERSON

Dan, one of the smarter members of the class, has received honours since he entered SCI & TS. His spare time is spent as Key Club President and a member of the Senior Soccer team. Having observed the students and especially the teachers of this school, the 'Dude' has decided to become a psychiatrist. His first patient is likely to be Mr. Brown. Good Luck Dan.

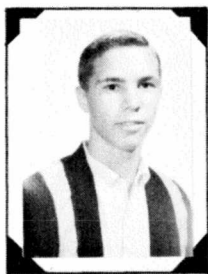

STEVE PEMBLETON

Steve, a well liked member of SCITS, has many extra-curricular activities. Membership in the Key Club, the SCITS Band and most important of all the SCITS Chairman for 1964 Convention. Girls are his main interest and his pet peeves are SWANS. Steve hopes to become a qualified engineer and can be seen puddle-jumping down Lakeshore Road in his little green-bug.

**JANIS RANDALL**

Janis has attended SCITS for four years and taken part in SCI Revue and interform sports. Every morning you'll find Janis hurrying to the washroom with the "girls" and at noon taking walks in the halls. Next year, she plans on taking Special Commercial. 12A wishes Janis the best in the future.

**WAYNE GORING**

Wayne Goring has no immediate plans for the future, except to pass grade 12 and date Suzanne Backman. Wayne's out of school interests are football, gymnastics, cars and girls. His favorite saying is "Duh", and his pet peeve is "paper mating" pens. We hope to see Wayne back on the football team next year doing the same great job as always.

**BARB TOYNE**

"Brainy" Barb with her friendly smile and long claws enjoys reading and knitting mohair sweaters. Although her pet peeve is schoolwork she has obtained honours for the past three years. She hopes to attend university after completing grade 13 next year and then become an interpreter. 12A wishes Barb the best of luck in the future.

**WAYNE GORRIE**

"Weiner", a Queen Scout is an ambitious and well-liked student whose hobbies include the Scits Revue, football, Key Club, snooker and driving his '56 Dodge with one V.G. close beside — very close. Wayne's favourite expression is, "No Homework", and he keeps his word. Wayne is a great friend and buddy who enjoys life and loves it.

**KAREN McLEAN**

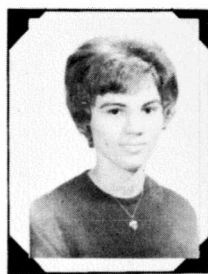

Question: Who is Karen McLean? Answer: She is a friendly girl in 12A. 2. What school activities is she in? A: She is in the Scits Revue, on the Ad Astra staff, in the Curling Club, and in interform sports. Q: How does she spend her time outside school? A: She is a Sea Ranger, and involved in many church activities. Q: What is she going to do after grade 13? A: She hopes to be a nurse. P.S. Good Luck, Karen.

**TED STONE**

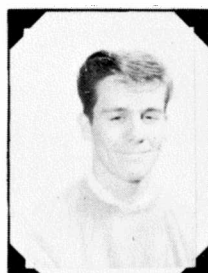

Ted is a well known boy around our school because of his activities in cadets and the classroom. Many pranks of unknown source can usually be blamed on Ted. Ted has no immediate plans for the future, except to buy a car and get a woman. Best of luck to Ted in whatever he does.

**PAUL MALVERN**

Paul averaging in the 80's, is one of the best students in 12A. Besides the regular curriculum he studies Greek and plans to write his grade 13 departmental this June. In addition to Bach, he likes folk music and can be heard saying how much he likes the latest record by Peter, Paul & Mary. Paul plans to go on to university after completing grade 13 to become a doctor.

**SHARON LEE**

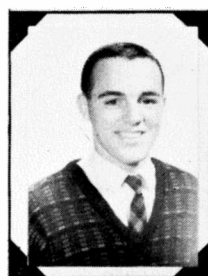

At exactly 8:45 Sharon's 5'7" frame can be seen running into 213. Without Sharon's bright remarks the teachers of 2nd East Wing would be lost. Aside from playing interform sports, she loves sewing and cutting hair. After completing Grade 12, Sharon hopes to become an X-ray technician and also raise little 'Rays'.

**PAT RYAN**

Pat is always smiling. He has made many friends through his activities which include Key Club and walking the halls of SCI & T S. His hobby is getting into debt. If you don't see Pat at home or at a dance you will find him in the kitchens of St. Joseph's Hospital. His favourite saying is "Get Serious", and his pet peeve is square record hops.

**TIETIE HIEMSTRA**

Tietie came to SCITS from Petrolia in grade ten and is now an asset to the school. She has a friendly manner as well as a good scholastic record, which makes her popular with both teachers and students. She represented SCITS at the Leader's Camp at Lake Couchiching and has always been active in sports and French Club. Tietie (now) is a member of the GAA.

**KEITH MacLEAN**

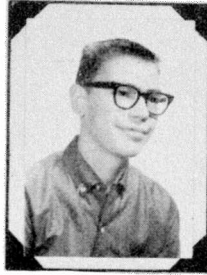

"Clutch" has earned quite a name for himself at SCI&TS. He has been second string on the football, basketball, volleyball, rifle, gymnastics and debating teams. If Keith graduates he hopes to study snake charming in India, because he has always been a bit of a wire!

**SANDRA ROUND**

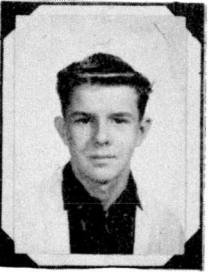

MARY WADE

During her 4 years at S.C.I.T.S., Mary's activities have included Scits Revue, Ad Astra, Curling Team and School Reporter besides participating in all interform sports. Her favorite pastime is a certain football and basketball player. Mary is well liked by all who know her and her warm personality will take her far. Her plans for the future include grade 13 & a teaching career.

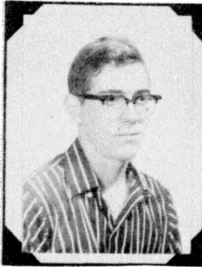

MICHAEL COCHRANE

Mike is one of the best-liked students in 12A due to his pleasing personality. He has obtained good marks all through school (mainly because he cheats on exams) and he participates in many intramural sports. Upon completion of grade 13, Mike plans to enter B.G.O. along with his grade twelve sweetheart, J.R., where he has hopes to finally learn something.

RICK PETERS

Rick, a 3 year honour student hopes to attend Western after Grade XIII. His activities include Ecclesia, Bowling and this year he was in the Boy's Kick line. The future should see "Dickie" giving inspired lessons in Math, History or French as he hopes to become a teacher. He is a natural worrier and should have an ulcer before very long. But, whatever the future brings, Good Luck, Rick!

GRAHAM CHALMERS

Occasionally a person comes to SCI & TS to get an education; Graham is one of these. His interests range from Jazz to Greek. He is at the moment involved in taking Grade XIII Greek after school. He is a member of the Ecclesia and Math Club. His average (without History) would be 90 per cent. This proves he has one of the brightest scholastic futures of many students.

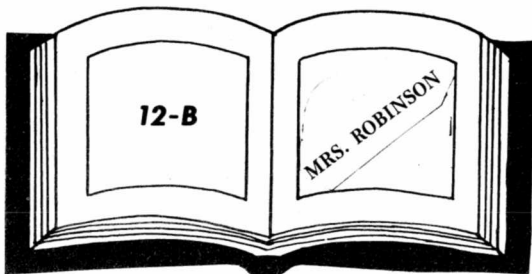

BRIAN (Andy) ANDERSON

Brian, one of the taller members of our class, is active in Key Clubbing as secretary and spends his time eluding "Big" Little. He received honours in Grade X and failed to receive them in Grade XI. To work his way through dentistry he intends to be a traveling toothbrush salesman in South America. Good luck in your race with Mr. Little.

LAURA ANDERSON

This year Laura was president of the Scits Club and a very able one, too! Along with her hobby of motoring to Florida on the weekends, her activities include interform sports, Y-Teens and dancing. Next year Laura plans to enter training.

MIKE DENNIS

Mike is an average student and an asset to any form. This year Mike plans to complete his grade XII and get a start on his grade XIII. Outside school Mike's interests include Militia, Bagpipes and "G.T.". Next year Mike plans to complete grade XIII.

LINDA GALLAWAY

Linda has come to the city of Sarnia from Point Edward for four years. She has taken an active part in school activities, the Students Council, French Club, Scits Club and the G.A.A. She plans to further her education next year in nursing in which we are sure she will be the "greatest".

LINDA REID

KAREN PRETTY

Karen is well known around the school for her cheerful personality and participation in all school activities. She has taken part in the I.S.C.F. and all inter-mural sports. We wish Karen the best of luck in her chosen career of Nursing next year.

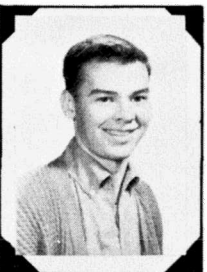

TERRY ROBINSON

Terry can be found every Sunday morning teaching Sunday School at St. John's Church. He bears it well hoping to make teaching his career. Terry is an active member of the A.Y.P.A. and likes bowling and tennis. His favourite pastime includes eating pizza and attempting his driver's license. The class wishes him the best of luck in the future.

BOB CRABTREE

Bob's time has been divided between bandaging severe guitar burns and his passionate love life. He has participated in school sports and the Scits Revue. He hasn't been seen wearing gym shorts for three years as he is an exchange student from Bowmanville. Good Luck Bob in whatever field you choose.

KEN BANTING

Ken is one of 12B's better known members. He has been on the school basketball team for the past four years. His other interests include volleyball, floor hockey and a certain Miss Red Feather. He is also active in boy's work at St. Paul's United Church. Ken plans to return next year and complete his Grade 13. Best of luck Ken!

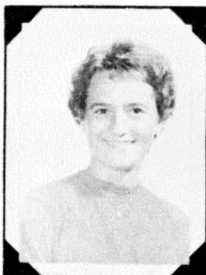

BONNIE STEWART

Bonnie is well known around Scits for her participation in all school activities. She also has received honours for two years in grades ten and eleven. She has taken part in the G.A.A., French Club, Student Council, Scits Revue and Cheerleading. Next year Bonnie plans on returning to Scits to take grade 13. Good Luck Bonnie.

ROSEMARY HALLIDAY

Rosemary is a quiet and shy, rural student. She is an active member of her Young People's Group, of French Club and participates in interform sports. She is a three year honour student and on completion of Grade thirteen intends to go to university.

JOYCE LAMBERT

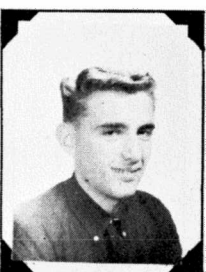

JOHN KIRBY

John has survived a summer with the Lands and Forests and is now trying to do the same with Grade 12. He is active in Scits Revue, A.Y.P.A., Rovers and is a Queen Scout as well as Sunday School Teacher. His ambition is to become a science teacher and the class wishes him well in his chosen profession.

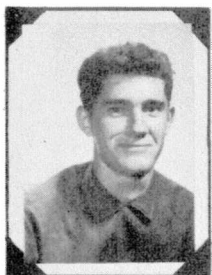

RICK BYWATER

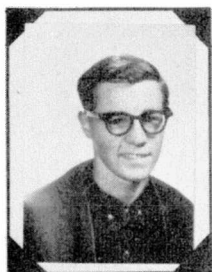

PAUL KNUDSON

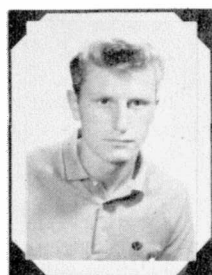

Paul's life has been engnaged in exerting as little effort and energy as possible. He drags himself to meetings of the Y'd Tracks and also indulges in hunting and wild attempts at speedshifting. He received honours in Grade ten but is now content to drift through. His main ambition is to get a college education and be a guage reader for IBM.

**DAVE HARRIS**

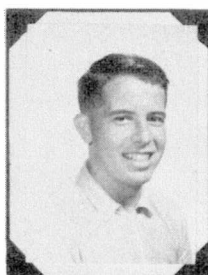

Dave is one of 12B's quieter students. His main interests outside of school include basketball, volleyball and track. Big Dave earns all his money sailing on the Canadian boats during the summer so all the girls can't find him. Dave plans to return to us and tackle grade 13 next year.

**PERCY VERMEERSCH**

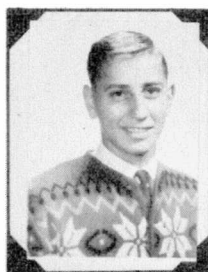

On Sept. 17, SCITS was blessed by the arrival of Percy Vermeersch. With his personality, it was not hard for him to be immediately well-liked, which was shown when he was elected secretary of the SCITS Club. We all wish him the best and know that he'll achieve his future goal of burning his Belgium deportation papers.

**DOUG WIDDUP**

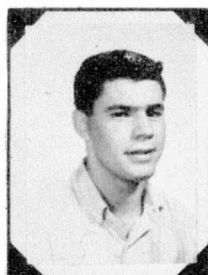

Doug spends a lot of time with athletics and has played both inter-house and inter-school sports. This, coupled with his smashing scholastic record will take him far! His past is unappreciated, his present uncertain and his future undecided, but he plans to attend any university that will accept him with only two academic subjects. Lotsa Luck Dougie!

**KAREN HARRISON****JUDY MCGREGOR****MAY BETH WALLACE****JOHN HAY**

Well known for his spirited participation in many school activities, John is one of the major people behind and starring in the S.C.I.T.S. Revue, an all-star junior basketball player and a member of Key Club. John was a member of the volleyball and football teams in the past year. He has his junior school letter and has maintained an average academic standing.

**LARRY CRANSTON**

Basketball, Football, Scits Revue and Mary are Larry's sole activities. His prosaic constitution is widely known. An express tunnel between Cromwell and Devine streets is his current project. He strives constantly for better marks but it has resulted only in extreme emotional upheaval. A personal gym and boiler room is his main desire, alas, he will cut grass at a local golf course.

**MIKE MILO**

Mike's sports include Football, Curling, Volleyball, Track and Field, etc. He has received all honours during his stay at S.C.I.T.S. He gets his strong legs by walking the halls, looking for the opposite sex. The four teachers Mike appreciates are E., G.S., C. W. and J.R. Mike will go to university then come back to Sarnia and work at the ice company.

**JOAN WALKER**

Joanie, who is known for her quick wit and pleasing personality, has participated in many interform sports. Last year she was posture-queen runner up. She is a member of the Sea Rangers and has participated faithfully in the "Scits Revue" in the past years. Upon graduation from Grade 13, she plans to attend teachers college. Good Luck, Joan!

**BEV. WALTERS**

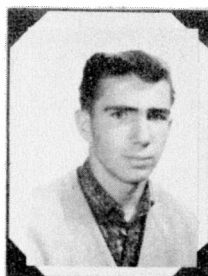

Bev has attended Scits for the past 5 years and her activities have included Vice President of the Scits Club, Cheerleader for two years and all inter-form sports. Her outside interests lay in church work and Toronto. Bev hopes to continue her education as a radiologist. Good luck Bev.

**LOUISE CAMPBELL**

Louise is a rather quiet girl who rides a bus from Pt. Edward each morning. Her outside activities include interform sports, leading brownies, teaching a Sunday school class, and young peoples of which she is the president. Next year Louise hopes to be attending a nursing school in some distant city preferably Hamilton.

**MAVIS WHITSITT**

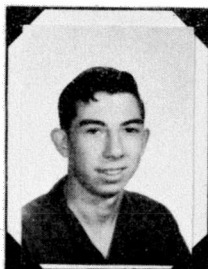

Courtright's leading "Spitfire" has a quiet, cheerful personality. Since grade 9 Mitch has been active in all interform sports and has received a Proficiency Crest for her hard work. Her interests include bowling, Teen Town, and listening to the radio. After completing grade 12 Mavis plans to take special commercial. Best of luck Mavis.

**WILLIAM MILO CLAWSON**

Bill has wandered aimlessly through our halls for the last five years. He spends most of his leisure time during school, but his main activities have consisted of football, school and girls (not necessarily in that order). Wild Bill is noted for his brilliant excuses for missing half days at school. Next year he plans to attack grade 13 scientifically. Good Luck Bill.

**ROSS MacINTOSH**

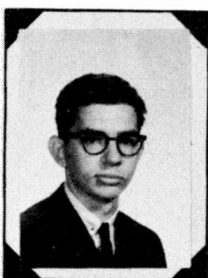

After obtaining honours at Petrolia, Ross finally saw the light and arrived at S.C.I.& T.S. Ross and M.M. are always ready to give psychiatric help in French class, which is appreciated by all except Mrs. Robinson. Although he never does his bookkeeping we're all sure he'll be a success in completing grade XIII and catching up on his lost sleep.

**BRIAN BOUCK**

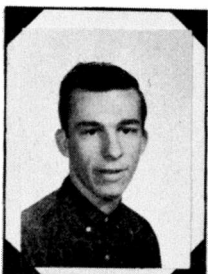

Brian can be found several nights a week sweeping the ice at the Sarnia Curling Club. The rest of the time he spends pursuing his acting career in the SCITS Revue or in Young People's plays. Brian spends his summers in the defence of his country. Brian's one ambition in life is to pass out of Mrs. Robinson's French class.

**DAVID SYRE**

Dave came to S.C.I.&T.S. from the realms of Petrolia. A certain "red Austin" and a little Miss fill most of Dave's spare time. On weekends Dave can be found on the "Bear Creek Farm". Ambition?? Work his way to China on a Banana Boat. Best of Luck Dave!

**PAUL MANN**

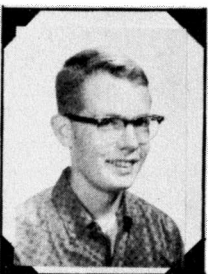

Although already a fixture around Scits, Paul plans to return next year to complete his grade thirteen and show Mr. Stevens he can pass his grade eleven Hist. Vice-Pres. of the Drama Club this year, Paul took the lead in "Maestro". Best of luck in your chosen career of psychology!

**ALAN PIPPARD**

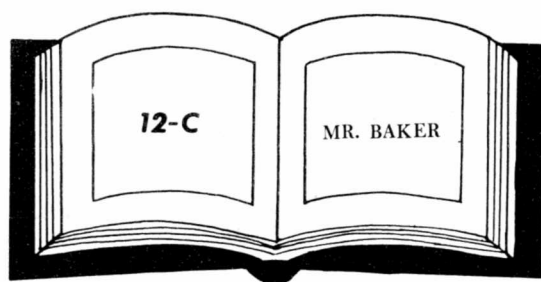

Alan is a well-liked student through-out the school. His extra activities include the Scits Revue, Key Club, his church's Y.P.S., and his various important duties as Ad Astra editor. In his spare time he can be found hunting and camping in the back forty. His main ambitions are to pass French and become a chemistry teacher.

**DAVID RICHARDSON**

Dave has participated in many activities, football, hunting and he was a lumberjack with the Forestry Department. He is trying to perfect a method of chewing gum without being caught. Classroom violence is condoned by him at all times. His main aim in life is to grow a beagle haircut but he is destined to dig trenches in the Yukon.

**NELLIE TOENDERS****PAUL MILLMAN**

Paul more widely known as Herc— is one of the more cosmopolitan members of 12B. He excels at chess, and is an ardent big-game hunter shooting carp in Perch Creek. Many prizes have been awarded Paul for his endeavours raising pigeons. His main ambition is to pass Grade 11 geometry, but he is destined to polish billiard balls for Brunswick Corporation.

SHARON DELDERFIELD

Sarie, famous for wrinkling her nose and giggling, is the root of all disturbances in history class. She loves chocolate pudding and boys, and can't stay away from either. She is active in S.C.I.T.S. revue, interform sports, Y-teens and Teen Town Council. Sarie's setting out to be a secretary and with her personality how can she fail.

RAY KENDEL

Ray "Cassanova" Kendel is well known for his participation in things such as Student Council, K.W. "Hate Club", volleyball, track and in Grade 10, football. Now he's busy working at the Dominion Store and "hustling" J.R. Ray has two hobbies, hunting and women. Ray hopes to complete Grade 13 and university to become a veterinarian.

FRED DAWS

Fred, one of the friendliest boys in 12C plays floor hockey and football. He loves cars and one "Susan M." from Northern. History is his pet peeve, but he is a whizz at math. Fred plans to become an engineer.

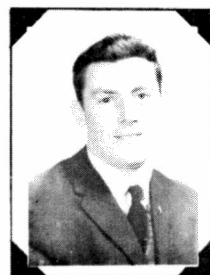

LYNN SIMPSON

Lynn has spent all her high school days at S.C.I.T.S. She has participated in interform sports. Her outside activities include sports of all kinds. After Grade XIII Lynn plans to train at Sarnia General Hospital to be a nurse. The students of 12C wish her the best of luck in the future.

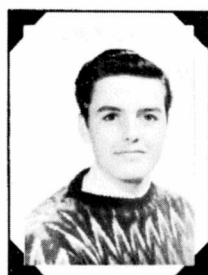

PAT JACKSON

"Pat" has been a great asset to S.C.I.T.S. She has participated in all interform sports, and last year was "Miss Posture Queen" for our school. Tom is better known out of class as "lys". Going through school as a Drafting special he is well liked by Mr. Gulliford. Tom's main ambition is to be a "fuzz" when he finishes grade twelve. Tom is well liked by the students of S.C.I.T.S. and we all wish him the best of luck in the future.

ROY McDONALD

Roy has been a student at S.C.I.T.S. for the past 5 years. He is a drafting specialist. Roy has been a member of the football team for the past two years. He is not noted for his academic ability, but his quick sense of humour and candid remarks. After completion of grade 12, he plans on joining the Navy.

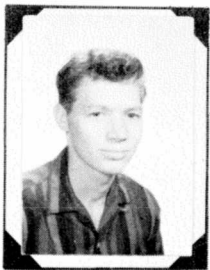

WALTER (Buck) BUCCI

Walter is a big Drafting specialist. He has been at Scits since Grade 9 and hopes to make this year his last. On weekends Walter can always be found at the Dome with some good looking Yankee girls. We wish Bucky the best of luck on whichever occupation he chooses.

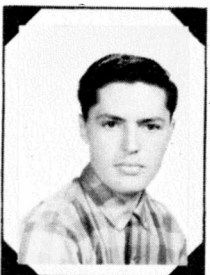

WAYNE (Muscles) SCOTT

Wayne's ambition is to get out of grade 12 and his interests include rodding the old man's Fairlane. Wayne is a member of the Student's Council and spends most of his spare time standing in the halls checking stock. He has been hanging around for the last six years or so suffering through Mr. Topper's classes. Wayne is hoping to graduate this year.

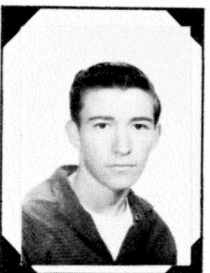

JOHN "Iceburg" STROOMENBERGH

"John", one of the more intelligent boys in the class is noted for his pleasant manner and willingness to work. John has spent four years at S.C.I.&T.S. and has participated in several activities such as the S.C.I. &T.S. Revue, Cadets and the Militia. John's main ambition is to get out of grade XII. "Good Luck John"

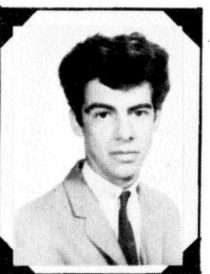

BRUNO MARIUZ

Bruno who is in his last year of high school at S.C.I.T.S. (he hopes) is majoring in drafting. His many interests these days include sports, basketball, football and hockey. Bruno's future at the moment is undecided but he hopes to further his education. We wish him the best of luck in his future endeavors.

BILL WHEELER

Bill, better known by the girls as "Billy", is one of Mr. Beamer's specials. His main ambition is to get his grade twelve diploma. Bill likes to argue with the teachers but is well liked by the students. If he works hard he will do well in the future and we all wish him the best of luck.

JIM BLAIN

Jim has been a student at S.C.I.T.S. since grade nine and is now specializing in Drafting. He has been a member of the S.C.I.T.S. Club. Jim is well liked by both male and female friends and can be located very easily after school hours at G.W.'s. We wish the best of luck to him in future years.

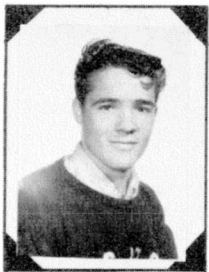

RON "Elsie" ARCHER

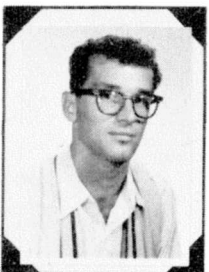

Ron is better known by Mr. Topper as "Elsie" and is well liked by all the students. His ambition is to go into minister training or to be a math teacher. He is the vice-president of the I.S.C.F. We hope that Ron is successful in accomplishing whatever he wishes. Best of Luck to you Ron.

**GREG "Chink" LAWRENCE**

Greg has been at SCITS for the past five years. He is one of Mr. Wilkes Specials. You can usually find Greg at noon hours talking to K.W. Greg's school activities are few for he has a job after school and plays hockey for the Legionnaires. After completion of school Greg plans to be employed by one of our local plants.

**RON SMITH**

Smitty has been a member of S.C.I.T.S. for four years. Ron's specialties included two years with Mr. Gulliford, girls and "hanging" around in front of the auditorium observing the finer things in life. He has been an hour student for the past three years and is planning to make it four. Ron will be successful in anything he does.

**BRYAN CHAPELL**

Bryan's ambition is to get his grade 12, "no matter how long it takes". His interests include R.R., rodding his father's "53" Ramscharger and eating candy (being caught by G.F.). Bryan has been around S.C.I.&T.S. for the past six years. He is one of T.G.'s specials. We all hope Bryan is successful in getting his Grade 12: Good Luck Bryan.

**HOWARD LONGLEY**

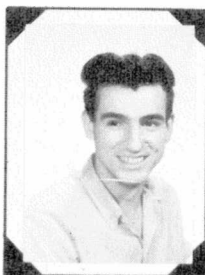

Howard has been engaged in his daily routine since grade IX. He now has a crazy notion to be a professional draftsman after graduation. Howie is usually found loitering in the halls with his faithful companion J.P. or driving the little white V.W. for Sole the Druggist. Howie is a very good fellow and I hope he succeeds in gaining his ambitions.

**TERRY WOODCOCK**

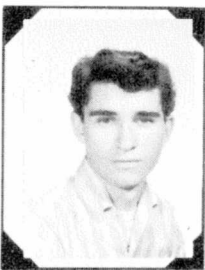

Terry is a well known student here at school. During the last four years at Scits he has participated in football, track and intra-mural sports. Terry also plays hockey for the Sarnia Legionnaires. One of his main interests is a certain miss at St. Pat's. Next year he hopes to get a hockey scholarship and go to college. Good luck Lumber---

**BOB STOTHERS**

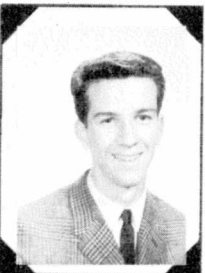

Bob is one of the quieter boys in the class (until everyone else starts fooling around). He is best known for never having any homework done. In the past, he has played football and has participated in inter-mural sports. His main ambition is to join the American Air Force in a few years and go to Texas. Good Luck Bob.

**WILLIAM (Willy) WINDOVER**

Bill has attended SCITS for the past four years. His special is a certain J.W. of C-11-A. He has tried to be an honour student (he thinks) to no avail. His favourite saying in chemistry class is "They never work for us". Bill's main ambition is to catch up on the sleep he's lost in the last 12 years.

**GIL "Jumbo" LOZIER**

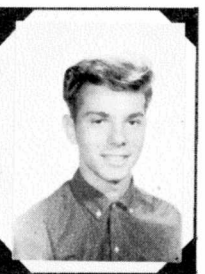

Gil a machine shop specialist, hopes to graduate and get a job as a tool and dye maker. He works at Walker Bros. after school, and can usually be found driving a "64 Ford Galaxie" on the weekends. His favourite saying is "You Marg". Gil's sports are girls. We wish Gil all the success in the future.

**CHARLES "Chuck" EDWARDS**

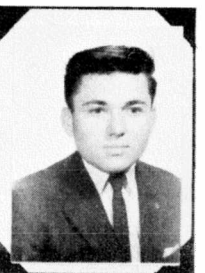

Chuck is one of "T. G.'s" drafting specials and hopes to get a job after graduation. He is employed part time at Prail's Flower Shop. You can usually see him rodding a "hot '56" around town and taking out his favourite girl "L. M.". With his smile and fine personality he should succeed in whatever line of work he chooses.

**GORD WHITE**

This is Gord's fourth year in high school. He is well liked by his classmates and one of Mr. B's specialists which is wood working. Gord has done well in school and has always been able to make the grade, so this year should be no exception. Gord's ambition is to get out of grade twelve with a good standing. Lots of luck Gord.

**FRED CALLUM**

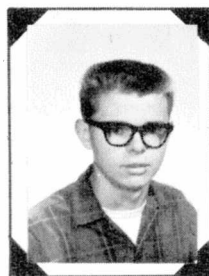

Fred is in his fourth year at SCITS, were he has specialized in machine shop. His interests include football, pool and track and field. He is well liked by his fellow students and teachers. Fred's ambition in life is to get a job somewhere south of the border upon graduation. We wish you the best of luck in the future, Friend.

**DIMITRI KAZANECKI**

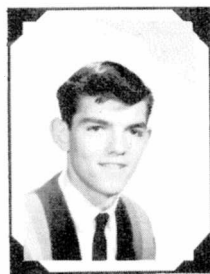

Dimitri, better known as "KAZ", is an asset to our class, for he promotes humour in every room. Kaz, Mr. Edgar's "Pride and Joy" is in every teacher's black book. He can usually be found studying (girls) in the halls. Kaz plans to attend special commercial for the next two years, seeing as he considers it a two-year course. Good luck Russian.

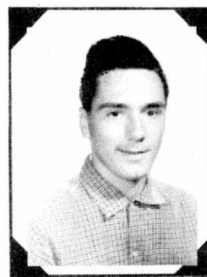

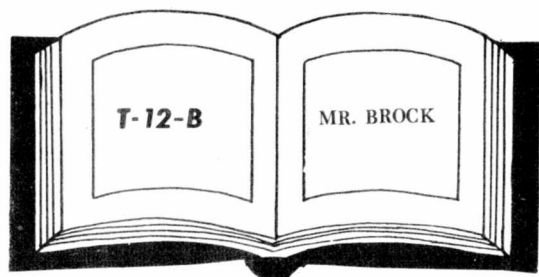

KEN "Mickey" McKINNON
Ken is a machine shop specialist. He plans to become a machinist after graduation. With his after school job at Strangway's, he hasn't any time for after school sports, but spends his noon hours in intermural sports. His favourite saying is "you hot dog". Ken is usually out on the weekends with his favourite girl. We wish Ken lots of luck.

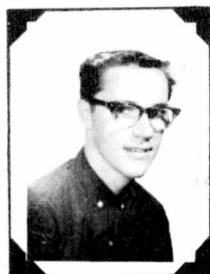

LYNN BOLES

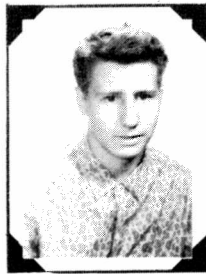

BOB "Ears" ELRICK
Bob during his four year stay at S.C.I. has achieved good academic standings. He has participated in swimming and the I.S.C.F. Bob specializes in drafting and plans to continue his education after Grade 12. In his spare time he can be seen with "a certain girl". Bob enjoys all sports. His favourite saying is "Hey Goof!" We certainly wish Bob the best of luck in the future.

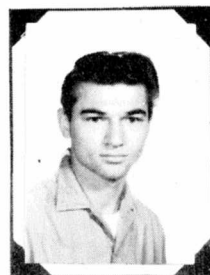

PAUL RUTTER
Paul, is very well liked by his classmates. He can usually be found at the back of the electronics room telling jokes or at noon hours out in the hall checking stock. He plays football, baseball, hockey and is very active in inter-school sports. His ambition is to pass grade twelve, but his destiny is to be one of Joe's boys.

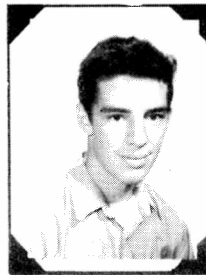

ROBERT "But" BUTLER
Bob has attended S.C.I.&T.S. since grade nine. He is a very quiet fellow. His favorite saying is "Oh". He is one of Mr. Brock's auto specialist. He likes swimming and sports. His ambition is to graduate and become an auto mechanic in one of Sarnia's service stations. We wish Bob the best of luck in his profession.

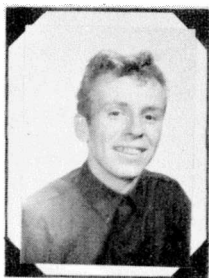

CHARLES BUNDA
Mr. Ditto's right hand man is an import from the backwoods "Northern" who saw the light and ran to enlist at the best school S.C.I.T.S. Charlie plans to go out into the world of the working force as an electrician. His favourite saying is "lets get to work".

STEVE KUTZ
Steve attended S.C.I.&T.S. for the past four years. He is a member of our football team and his favorite saying is "sue me". You can find Steve in front of the boy's gym, talking about sports or trying to decide about his girl. He is an electricity specialist and his ambition is to return to school and take Special Commercial. Good Luck.

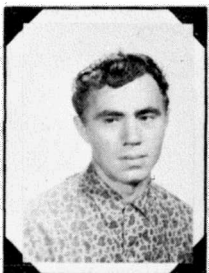

DAVID HALLIDAY
Dave is sort of a timid and quiet person who drives like a bull when he loses his temper. He enjoys Industrial Chemistry only when G. V. is absent. Dave is from a dairy farm so extra activities are almost out of the picture. He intends to go to the two year course at the O.A.C. next year. Good Luck Dave.

**FRANCIS "Hank" RANDALL**

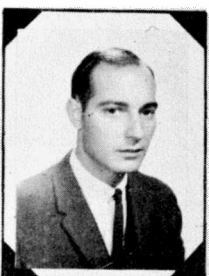

Entering the school in 1959 and 1960 "Hank" has specialized in Auto Mechanics and is one of Mr. Bröck's right hand men. He works at the Sarnia Arena as a part time job. After leaving school he hopes to get a job in one of the plants. Good Luck Hank.

**PAUL HANSEN**

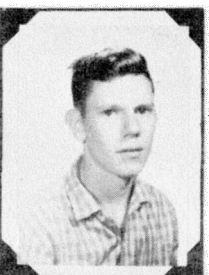

Paul is one of Mr. Godwin's assistants, having majored in chemistry for the past two years. He plans to further his education after which he wants to be a chemical technician. His hobbies include motorcycles and waterskiing. Paul can also write very good essays, the latest of which is entitled "How to drop a transmission in two easy steps".

**ACHILLE PERSICHELLI**

Achille's ambition is to become a full-fledged electrician. He is one of M.D.'s helpers. Persi spends most of his spare time raising pigeons and making "Fire-water". The rest of his spare time collecting and gathering many articles known as "do-hickees". Best of luck Persi.

**GERALD MAY****DAVE LARGE**

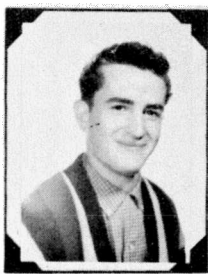

Dave is an energetic boy who is specializing in Electronics. He has been attending Scits since 1959. He was a member of the Electronics and Radio Club. His favourite hobby is fixing televisions and radio. He hopes to get a job at one of the plants when he completes grade 12. We wish him the best of luck to achieve this.

**DOUGLAS MacGREGOR**

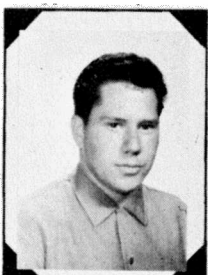

Doug is the best of Mr. Brock's auto special in room 125 where he and Terry hope to have a chopped "A" coupe running soon. Doug enjoys long drives in the country. Next year Doug hopes to get an apprenticeship or go on to Agricultural College. Which ever way we all wish him luck.

**NORM CORMIER**

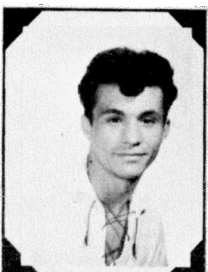

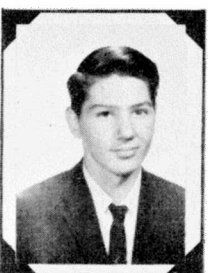

Norm is an electronics special. Having the top mark earned him a ten dollar gift certificate which did not quite pay for the six tries he needed for his drivers licence. Norm can usually be found trying to evade Mr. Thomas and his questions or dreaming of the day when he can put his licence to use driving his Volkswagon . . . destroying the streets of Sarnia.

**MIKE "Ross" CAUGHLIN**

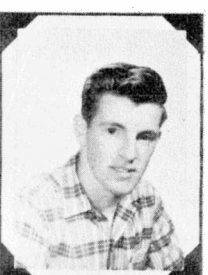

Mike camt to S.C.I.&T.S. in '58 and is a very likeable person. He spends most evenings playing Junior Hockey in the Village (P.E.) and going out with village girls after games. Other hobbies of Mike's are lacrosse, ping pong and school. When Mike graduates his destiny will be to get back into "The Human Race". Good luck Mike.

**DENNIS "Redskin" RONDEAU**

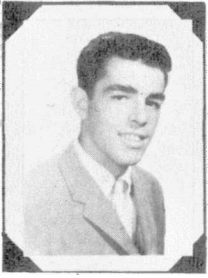

Dennis has attended S.C.I.T.S. for five years. He has participated in the Scits Revue and on the football team for three years. He is one of Mr. Brock's grease monkeys and can be found standing outside the gym watching the girls walk by. His ambition is to become a law enforcer or a R.C.M.P. Best of Luck Redskin in the profession you choose.

**TOM SATIABANIS****PETER POSTMA**

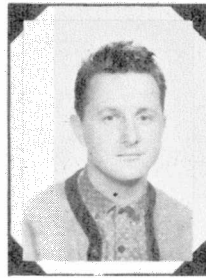

Peter is an invader from Northern but we appreciate it for he's an honour student. He has a friendly personality which everyone likes. He always enjoys listening to Paul Hansen's storys in math class even though they get interrupted by Mr. Topper. His hobby is photography and he intends to go on in school and be an electrical engineer.

**DAN "Speed" WILLIAMSON**

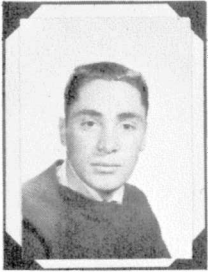

Dan hails from Brock's auto shop where he is a major in mechanics. When he is not in overhauling carburetors or tuning the cities' fastest Fords he can be seen drifting through the halls of S.C.I. or talking with a certain redhead S.F. Dan is known for his warm personality and quick temper. After grade twelve Dan should go far in Auto Mechanics.

**DAVE BROWN**

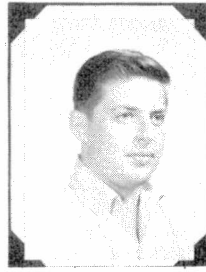

Dave came to S.C.I.T.S. from St. Pats two years ago. He played football and this year was on the championship team. He may be seen wandering the halls with S E or coming into noon hour classes with a pint of milk. We wish Dave lots of luck and advise him not to get married too soon after leaving school. Good Luck "Nerves".

**THOMAS CRAIG**

Tom is interested in the construction of engines and owns a Ford, powered by an Oldsmobile motor. His ambition is someday to own a hot rod shop and do engine work on all kinds of cars. He is liked by all and we hope that Tom does well in the future.

**DAVID BEDARD**

"Muscles" has been around S.C.I.&T.S. for the past four years. David is a great athlete and participates actively in football, the breast stroke in swimming, pole vaulting and broad jumping. His main ambitions are disturbing Mr. Fleet's class and to become Mr. Universe. We wish Dave the best of luck.

**LOWELL DAWSON**

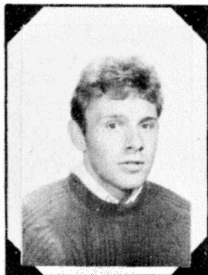

Lowell Dawson came from Central to Scits in the dim and dismal past. He has played school football for the past three years and did quite well. Lowell is one of Mr. Brock's auto specials. He owns an old Ford that is forever being repaired. Lowell would like to graduate soon in the future. Good Luck in the future (you'll need it).

**RON COLLIER**

Favourite saying — Tighten Up. Ron likes to play sports and he played on the Blue Bombers for two years. He likes to shoot pool almost wins enough money to live on. Ron is looking forward to getting a job at Polymer. Good Luck — Ron.

**GIL VACHON**

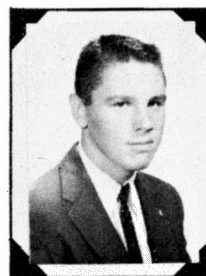

Gil is noted for his scientific ability of which Mr. Goodwin and the members of Science Fair are well aware. Gil can be seen at almost any time on the weekend at Rose's (roller skating). Gil hopes to attack grade XIII next year and in near future get his engineering papers. The best of Luck to Gil no matter which field he enters.

**TERRY ATKIN****LeROY "Santa" PROSIC**

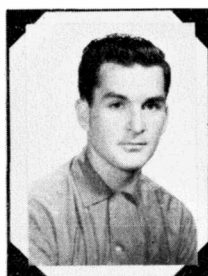

Leroy is one of Mr. Brock's highly technically inclined auto specials and right hand man. He received the Wolsey Automotive Award in 1962. His favourite saying is "All I want is my grade 12 and you'll never see me again. His ambition is to become an auto mechanics teacher, but his destiny is playing Santa Claus at Hudson's Bay! Good Luck Santa!

**CHARLES JACKSON**

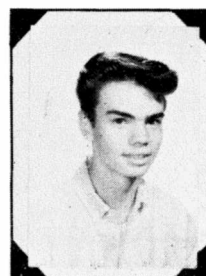

Charlie came to S.C.T.S. after two years at the school in the Central part of the city. He played football for three years, then had to retire because of old age. He may be seen working at Dunlop's or out with M.E.V. After graduation when ever that is he hopes to get a job.

**BOB McALLISTER**

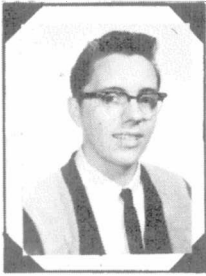

Bob is one of Mr. Thomas' electronic specials. After he graduates he plans on becoming an electronics engineer in the R.C.A.F. He plays football and hockey and also roller skates. He can be seen almost every Saturday night at Rose's. "What's her last name?"

**MARK TAYLOR****"Magic" MARK TAYLOR**

Magic has played for the school soccer team for many years and is respected for his great goal tending. He is one of Mr. Corns welding specials. Magic hopes to become a Provincial Fuzzy.

**GREG PHIBBS**

In 1959-60 Greg entered this school with a pleasing personality. He always is glad to help the other one in their time of need. Greg wishes to complete grade 12 and get into one of the plants. For the last two years he has been specializing in Electronics. We wish Greg the best of luck in his chosen profession.

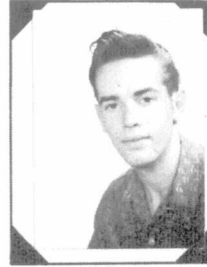

JERRY "Watterbee" WATTERS
 Jerry is a specialist in Electronics. His favorite pastime is doing imitations mainly J.F.K. His funny sense of humour makes him well-liked by all of the teachers and students. He can usually be found in the hallways admiring the beauty of our school. Jerry's ambition is to complete grade 12 and advance to Port Huron Junior College. Lots of Luck "Waterbee".

BOB L'HEUREUX
 Bob entered Scits in 1959. He is well liked and easy to get along with. He is noted for his activities while playing hockey for the Legionaires for three seasons, before graduating to the Irish League in Petrolia. Bob spends most of his leisure time studying with a M.E.O. We wish Bob the best of luck in future years.

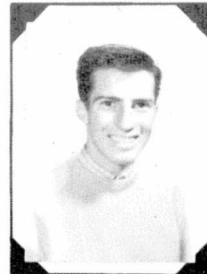

JOHN BLACKWELL
 John is a well-known member of T-12-B. After spending four years in the General course he switched to the technical department where he is specializing in Industrial Chemistry. He is noted for his good looks, and trying to get his Ford running. On the week-ends he can be found in the company of B.O. His ambition is to graduate and attend Michigan State.

KORNELIUS GRUBEN
 He is an active member of T-12-B and well liked by his classmates. He is better known as Grubs. He is an Electronics special and a Scits Review stage hand. He can be usually seen in the cafeteria pouring tea for his fellow classmates at their regular tea parties.

STU HURRY
 Stu has attended S.C.I.&T.S. for the last four years and is now specializing in Industrial Chemistry. His cheerful smile is a great asset to the school. He played goal for the soccer team for the last four years and is active in track and field. He is noted for his antics in chemistry. Upon graduation he intends to attend Watterloo College.

Editorial

"I can't come home for lunch today, Mom, I've got to go to French Club." or "I'll be home late, there's a bowling game today."

How many times have these words been spoken, in some manner or other, by a Scits student? We, at Scits can be justly proud of the accomplishments of our clubs. All of the, directly or indirectly have added to school life and many of them perform valuable services to the school. Imagine how dull it would be with no bank, no bowling, no Scits Revue and so on. The school would be no more than a building and school spirit would perhaps die out.

Clubs at Scits are many and varied. Whether your interests run to acting or test tubes there is a club to go to and a capable advisor to direct you. It's only hard to go to the first meeting, from then on, it's a pleasure. Perhaps you might learn about a future occupation and make many new

friends from membership in an organization.

The only complaint that club executives and advisors have is that members seem to lose interest in their clubs in late winter. It's very disappointing to see one of your favourite groups cancelling some of its meetings due to lack of people. Remember they're **YOUR** clubs, **YOU** started them, so it is up to **YOU** to keep up with them. Any letterman can tell you of the rewards.

If you already belong to an organization you know the enjoyment you can get out of it and if you don't make a resolution to join, at least one, it will well make your year seem a little empty.

At the end of this editorial, I would like to express my thanks to Mr. Galpin and Alan Pippard for giving me this position and to the executives of the various organizations for their help with this section.

Ruth Heisler,
Club's Editor.

Standing: Mr. Little, Dave Whitfield, Gary Morphew, Mr. Gorman.
Sitting: Bob Barkwell, Maureen Fulcher, Dave John.

STUDENT COUNCIL

The Student Council is composed of the Executive:

President: Dave John

Vice-President: Bob Barkwell

Secretary: Maureen Fulcher

Treasurer: Dave Whitfield

a representative from each form, a representative from each organization within the school; and two excellent staff advisors — Mr. Little and Mr. Gorman.

The Council strives for betterment of the school and a variety of extra — curricular activities.

Some of the activities of the Council this year included our V.I.T. parade which boasted the morale of the school tremendously.

The parade consisted of decorated cars contributed by every club in the school. This was the

largest demonstration ever under staged by the Students.

The Mural, our special project, was completed this year. This is a spectacular contribution designed by Janice Hayes and revised by Dave Cotton.

The unveiling of the Mural took place on April 24, 1964 at the second annual Spring Prom and will hang in the cafeteria. This should provide a great asset to our school for many years.

The Council is responsible for the annual sale of Student pictures, Christmas cards, pennants and "Ad Astra" sales.

The success of any Council depends upon the backing of the student body and the excellent guidance from our staff. Both have aided in the success of our 1963-64 Student Council.

KEY CLUB

Standing: Bill Walters, Mr. McKee, Kieth McLean, Art Payne.

Sitting: Dennis Baird, Steve Pembleton, Dan Peterson, Brian Anderson, Rick Alexander.

KEY CLUB

The Key Club is a school service club, organized on an international basis and is affiliated with Kiwanis International.

The Key Club's main project again this year is the continuing support of our Vietnamese foster child, Pham Van Van. To maintain the treasury and support our foster child the boys have checked coats and sold refreshments at all the school functions, and sponsored the school dance "The Witch's Hangover".

This year, as in the past, the club helped the Community Chest by placing posters in the store windows and during the summer helped tag for the S.P.C.A. Tag Day in Sarnia.

Gavels were popular this year. We presented one to the Student's Council and one to the St.

Clair Key Club. Ball point pens were sold this year to equip Guatemalan schools in conjunction with the "Care" Plan.

The S.C.I.&T.S. Key Club is the host club for the 1964 Ontario, Quebec and Maritime District Convention. It is hoped 700 boys will attend this convention, which will be held at Easter.

BAND

What would S.C.I.&T.S. be like without our band? Imagine assemblies with no music, the revue without songs and cadet parades without marching music.

Under its superlative director, "Mr. C." the S.C.I.&T.S. band proved its superiority over all other teenaged bands in the city. Last year our band had the best record of any group in the city for wins, places and shows in the May Festival. They have played and will continue to play over CHOK and their own concert. The blue and whites provided music for Drama Club plays and the Scits Revue. They also paraded for cadets, militia and V. L. T.

The Dance Group continued in its second great year along with the Dixieland Band to play at some school dances and special assemblies.

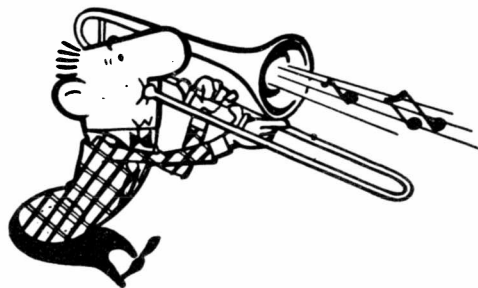

The Band is the best attended of any group the school has, besides being the largest and best supported. They're going to win for us again in the Festival, so let's have the whole school behind them. Students' support in the Chocolate Bar Drive helped the band obtain new uniforms and instruments.

Band practice is a good place to make friends, so if you play any instrument, come on out and be part of the most popular school symbol.

SCITS CLUB

Standing: Dave Fisher, Mr. Clothier, Percy Vermeersh.
Sitting: Lori Peterson, Laura Anderson.

SCITS CLUB

This year's show was based on a fictitious Roman invasion in the Sarniaumm area. In this were all seven skits related. Starting in Rome and following through; the departure of the legions, the invasion and eventual civilization of Sarniaumm. It was hoped that the story would create more humourous situations than disconnected skits. The general opinion seems to be that it wasn't too successful. There were four dance numbers which were well done. These were all orchestrated and for the first time boys were involved! The curtain acts this year were unusually varied and the two MC's, Larry Williams and Peter Fisher certainly helped the show to go with a swing. Mike Brody and Gil Vachon designed the scenery, everybody agreed that it was the most lavishly staged show in years. With eleven complete changes of sets the stage crew and technical boys had their work cut out.

We had an excellent turnout and with the proceeds, bursaries will be awarded to deserving students who participated in the show.

The executives would like to thank everyone who was connected with the show for their co-operation.

DRAMA CLUB

Under the direction of Mr. W. W. Kerr, a group of forty students gathered to learn more of the aspects of theatre life. In September the executive chose two one-act plays. They were "Maestro" and "Landslide for Shakespeare". After weeks of hard work, the plays were presented in November. The plays ran for two nights and were received each night by a small but enthusiastic audience. This year's cast included:

| | |
|-------------------|-----------------|
| Dennis Baird | Terrance Hardy |
| Barbara Booth | Peggy Boyd |
| Paul Mann | Wayne Theriault |
| Dorothy Greenaway | David Whitfield |
| David Guthrie | Bill Beauchamp |
| Susan Harris | Lisa Tancredi |
| Phillip Goodwin | |

Mrs. F. Hadley from the Sarnia Drama League was present to chose our best actor and actress. This year's winners were Dennis Baird 13-B and Barbara Booth 5-10-B. The most improved actress was Dorothy Greenaway and the most improved actor was Paul Mann. Special congratulations are due also to the cast and people behind the scenes who did such an excellent job.

This year's executives include:

President — Paul Mann
Secretary — Barbara Booth
Treasurer — Lana Small

DRAMA CLUB

Left to right: Barb Booth, Lana Small, Paul Mann, Mr. Kerr.

LETTERMANS' CLUB

The Letterman's Club is unique in that its members must have received their senior letter. It is primarily a booster club and performs many useful services for the school.

This past year the activities of the Letter winners were many and varied. They entertained the Blue Bombers by staging U.S.O.T. They entertained the entire student body with hilarious skits at the Christmas Assembly.

As service projects, the club donated a trophy for the Diane McLeod Memorial Award for Citizenship and also cleaned and arranged our trophy cases. They also print a newspaper called the Magma Vox for all Senior Letter winners and through this paper, subscriptions for the Ad Astra are sold to graduates.

To support its 1963-64 activities, the club has had a car wash, a French Fry Sale, and a Dutch Auction. Many of the proceeds will go toward the purchase of a lecturn cover for the Assembly hall.

The Letterman's Club is a most valuable asset to school life at SCITS and it is hoped that membership will increase as our students win their honour letters.

LETTERMAN'S CLUB

Left to right: Miss Wilson, Dave Whitfield, Marg Knowles, Mr. Stevens.

Executives:

President: David Whitfield

Secretary-Treasurer: Margaret Knowles

Standing: Mr. Stevens, Mr. Capes.
Sitting: Hans Devos, Ruth Heisler.

ECCLESIA

Every Tuesday, after four, in Mr. Steven's Room, about ten regular Ecclesia members can be seen trying to put forth their opinions on any subject presented for discussion. Run on parliamentary procedure, the members learn proper methods of debating and group discussion from these meetings. An Ecclesian, usually the Epistates, presides over the meetings and discussions.

Topics this year ranged from Abortion to Quebec Separatism. Most of the discussions were carried on well but they would be better if the Ecclesia had more members. Surely there are more than ten intellectuals in our school, so come out to any meeting and join the Ecclesia.

Ecclesia Executive 1963 - 1964

| Epistates | Hans Devos |
| Proedros | Ann Gallaway |
| Keroux | Ruth Heisler |
| Representative | Dave Parks |

Thanks are also due to last year's Epistates Proedrios Roy Blackshaw and Don Livingstone who supervised several meetings before the new executive was chosen.

FRENCH CLUB

Left to right: Penny Hardy, Cheryl Wright, Glenda Barkwell, John Barkwell, Joyce Lambert, Mary Ellen Lackie.

FRENCH CLUB — Le Circle Francais

Quand le circle francais etait commence en 1961, il n'y avait que huit ou neuf personnes a les reunions. Et maintenant il y a tant de personnes qu'il n'y a pas assez de chaises dans la salle de reunion.

1963-1964 was the best year the members heard guest speakers, student speakers and debates. More was learned of French culture and customs. Arrangements were also made for a trip to Detroit.

As a group the club gave the school its first French Fry Day and La Petite Feuille, its newspaper, edited by JoAnne Giesbrecht. Several members presented a play in French for their friends.

It is hoped that the French Club will continue to grow. New members are always welcome, especially more boys. French is very useful to all of us, living in this bilingual democracy.

EXECUTIVE:

| | |
|-------------------------------|---------------------|
| President | — Mary Ellen Lackie |
| Secretary | — Penny Hardy |
| Treasurer | — John Barkwell |
| Program Committee — Grade Ten | — Glenda Barkwell |
| Grade Eleven | — Cheryl Wright |
| Grade Twelve | — Joyce Lambert |

The members of the club greatly appreciate the work and help of their staff advisor, Mrs. MacLeod.

BOWLING CLUB

Left to right: Mr. Ditta, Rick Bywater, Wayne Scott, Ken McMahon.

BOWLING

This year, as in the past, Mr. Ditta called together last year's bowlers and helped the students organize their league. The executive was as follows:

| | |
|---------------------|----------------|
| President | Rick Bywater |
| Vice President | Wayne Scott |
| Secretary-Treasurer | Kathy Willette |
| Average Keeper | Ken McMahon |

It was agreed upon this year to bowl only 5 pin; to protect the men teacher's weak feet. To add a little variety to the League it is known as the "Nut League", with such teams as the Donuts, Peanuts, Coconuts, etc.

The bowlers would like to express their gratitude to Mr. Saunders who allowed them to purchase three trophies for the Student Bowling League in order to increase interest in bowling.

The bowlers will again stage their annual banquet at the end of the season which will top off an excellent year. If the year's support from the principal is a sample of things to come, the Scits Bowling League is going to rank Number One in student participation.

SCIENCE CLUB

1963-64 saw many good and interesting changes in the policy of the Science Club. Attendance meetings were held every two-weeks instead of one. Each member delivered a 20 minute seminar on a phase of Science which interested him and conducted a ten-minute question-and-answer period immediately following his speech.

Several members of the Science Club passed qualifying tests and appeared on the C.I.C.'s radio-science quiz. The members included: John Taylor, Don McCabe, Jim Swan, Ruth Heisler. A total of nine students from S.C.I.&T.S. appeared.

Members also showed their projects in the Science Fair and won recognition for the school. Thanks for a good year are due to our advisor, Mr. Prezeau.

EXECUTIVE

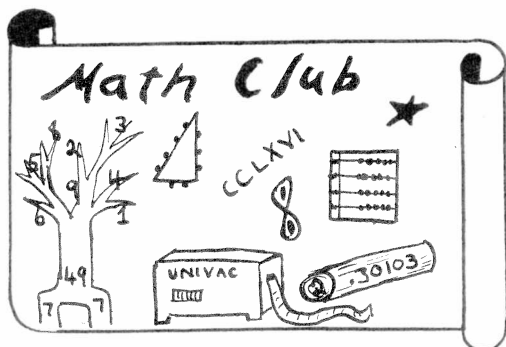

| | |
|---------------------|------------------|
| President | John Taylor |
| Secretary | Glenda Barkwell |
| Assistant Secretary | John Barkwell |
| Representative | Glenna Beauchamp |

It is hoped that membership in future years will increase and interest will not wane in January and February as it has been doing.

SCIENCE CLUB

Standing: Mr. Miller, Mr. Prezeau.
Sitting: Glenna Beauchamp, John Taylor, John Barkwell.

MATH CLUB

Left to right: Jo-Anne Giesbrecht, Dianne Cooledge, Mr. Scott.

MATH CLUB

The Math Club is now in its fifth year under the direction of Mr. Scott. Its aim is as ever, to increase the interest in Math. The members do special projects and solve problems in fields of math which are alien to regular schoolwork.

This year, the Math Club displayed two projects in the Science Fair with good results. They are to be congratulated for their fine work and effort, although they received no prizes.

EXECUTIVE 1963-64

President — Dianne Collidge
Secretary — JoAnne Giesbrecht

It is hoped that in future years membership will increase and more students will discover the wonders of mathematics. The members would also like to thank Mr. Scott who turns Math into something living, not just a textbook course.

REPORTERS

Left to right: Suzanne Backman, Mary Wade, Mary Ellen Lackie, Mr. McKee, Rose Brown, Julia Brown.

PUBLICITY CLUB

The students of a school all know of the activities that go on within its four walls. But how do the people that don't attend Scits learn about all the sports and social activities that are going on.

The girls of the publicity club continuously remind the public of everything at Scits. They deserve much credit, for they must be "in the know" at all times. Perhaps we could call them polite snoops.

Reporters for 1963-64 were:

Mary Ellen Lackie
Julia Brown
Barbara Murray
Penny Hardy
Suzanne Backman
Mary Wade
Rose Brown

These girls wrote for the Observer, the Gazette, the Windsor Star, the London Free Press, and CHOK. Unlike previous years, each girl had a chance to work for more than one paper.

Much credit and thanks for the organization and activities of the publicity club is due to its advisor and friend, Mr. McKee.

TO BE SO YOUNG
Life is a blessing;
A gift of God.
So why does man die
At the height of his power?
They say I must love,
But I can't love all.
They say don't hate,
But my enemy can.
They teach me of kindness,
Then show me they're cruel.
They told me of prejudice,
Yet they prejudge themselves.
They taught me the rule,
"Love thy neighbour
As thyself".
So they build a bomb.
Then they ask me,
Young as I am,
Younger than man
Much younger than God—
They ask me
To please understand.
This is what it's like,
To be so young.

EDITORIAL

That was the year that was! Scits can be truly proud of its athletic achievements during the past year. It was the year that the Blue Bombers ran away with the city championship; the year that the Senior Basketball team bounced to victory and a city title; the year in which the Senior Volleyball team became champions; it was the year for a clear sweep by the Bowling League

(boys), and a WOSSA Pennant for the gym team. (So what if our Juniors did lose a few games here and there, everything comes in time. Just wait till next year.) It was also the year for an addition to the House League curriculum, this time in the form of volleyball. In conclusion, thank you to all the coaches, managers and players who took part in the 1963-64 sports activities.

FOOTBALL

SCITS 18 — NORTHERN 19

SCITS Blue Bombers gave the Vikings one of the toughest battles in Football history in the opening game of the year. This was the game in which Terry Woodcock made his sensational 130 yard run. T.D. honours went to Dave Bedard, Terry Woodcock and Rick Watson.

SCITS 30 — CENTRAL 7

SCITS, starting out as if they intended to lose, came back in the second half to take the game. Tom Barr, Rick Allen, Dave Martin and Rick Watson scored the T.D.'s while Tom Barr and Terry Woodcock kicked singles.

SCITS 33 — ST. CLAIR 7

Leading 6-0 at the end of the first quarter Scits moved into a three-way tie for first place. Dave Bedard scored two touchdowns while Rick Allen, Mike Milo and Bill Clawson brought in one each. Terry Woodcock converted three of the SCI touchdowns.

SCITS 41 — ST. PAT'S 6

A win by the Irish in this game would have cinched first place for St. Pat's. By virtue of a SCITS victory they were banished to third place. Two touchdowns were brought in by Pete Fisher. Dave Bedard, Dave Martin, Rick Allen and Ron Collier added the others. Tom Barr kicked for three converts while Bob Acker booted two singles.

SCITS 15 — ST. PAT'S 7

St. Pat's put up a stiff opposition but was bowled over by a superior team in this SSSAA sudden-dead, semi-final game. Dave Bedard plunged through for two T.D.'s. Tom Barr knocked in two converts and Bob Acker booted a single.

SCITS 27 — NORTHERN 6

SCITS ended a four year reign by the Northern Vikings by winning their first SSSAA football title. Bill Clawson came through with two T.D.'s with Rick Watson and Dave Bedard scoring the other majors. Tom Barr kicked three converts.

This year the Bombers worked as a real team. The offensive linemen and defensive squad who worked, together with the backfield, to form a winning combination under their fine coaches deserve special congratulations for their fine and usually unsung labours.

Thanks and congratulations to coaches Edgar, Fleet and Hunter for their splendid work.

RIFLE

Rifle practise is on Friday after school and Saturday morning between 8 and 12 o'clock. We are the second place Ontario champs, due to the fact that we lost to Barrie.

On February 5, the team competed with St. Clair. We defeated them by 20 points, and with an average of 93.5.

The team works on a series of competition targets of DCRA Gundu. The senior team varies as Mr. Corns decides who should shoot.

BOYS RIFLE TEAM

Standing: Dave Laur, Ron Walters, Bill Watson, Terry Passmore, Pete Richardson, George Haufek, John Kajefs.
Sitting: Paul Peterson, Mr. Corns, Wayne McKaig.

Curling

CURLING

Every Monday after school, between 4 and 5:30, the curlers of SCITS meet. They have had 8 game league, and 16 rinks from 5 high schools. Each team has 4 persons on it. SCITS only has 3 teams. The skips are B. Black, D. Williams, and S. Kilbreath.

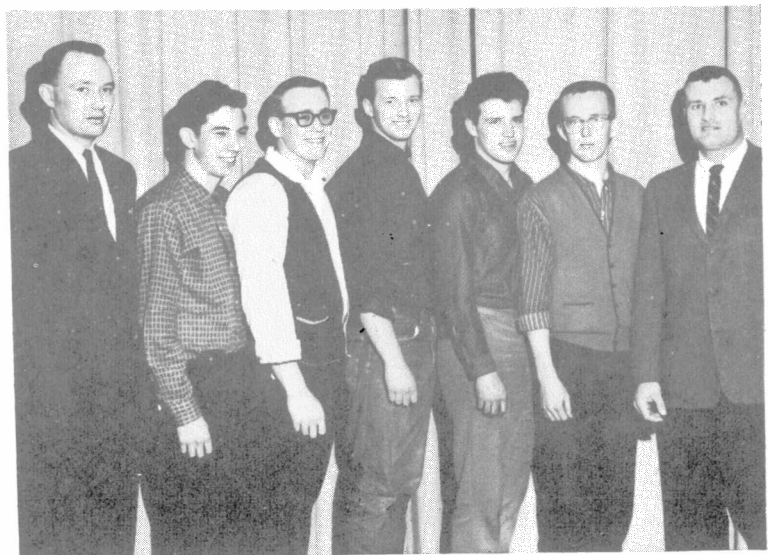

SCITS played in the WOSSA games in London on Feb. 7 and 8. Mrs. Roberts and Miss Fenwick accompanied the team which consisted of B. Black, D. Williams, S. Kilbreath and J. Olsher. They ended up in second place due to the fact that they lost out to Strathroy.

"You are Always Welcome at Manleys"

The Central

The Central team they did say
 Practise they did five hours a day.
 But before the game to the coach they'd say
 This Central team is too "pooped" to play.

But to our head teacher they did boast
 Of how their team was really the most.
 But during the game we saw the way
 SCITS showed Central how to play.

We beat them in the locker room,
 We beat them on the court,
 We beat them cause our team is better
 And now we praise our team and Edgar

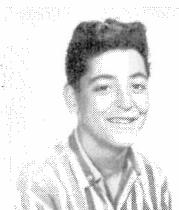

Just like the Beatles we made our way
 With Mr. Edgar's fantastic plays.
 We worked our way to fame and glory
 And that my friend is the end of the story.

Orvil Caven

Northern Northern go and cry
 Northern Northern give it a try
 Northern Northern winning the game
 Up until the Bombers came

Northern Northern don't you groan
 As you come down from your throne
 Northern Northern don't his and snort
 Learn to be a better sport

Northern Northern no more you reign
 Scits Blue Bombers drove you insane
 Go and hide your face in shame
 Scits Blue Bombers Now you reign.

I wish to take this opportunity to express my sincere appreciation to Miss Fenwick, Miss Downy, Bev. Black, Kathy Ewner and the Assistant Editor, Lois Robinson for their invaluable aid and co-operation.

Glenna Beauchamp 11A

Editorial — Girls' Sports

Since the glorious victory of our Blue Bombers, there has been much discussion of "School Spirit". It was confidently assumed that winning the Football Championship would raise student morale to an unprecedented height, and this certainly could be expected. Exactly how do you go about demonstrating your feelings about your school; merely by screeching at a football game until you are hoarse? No, attendance at school activities, although of vital importance, is only the beginning. Participation in inter-form and inter-school sports competition not only develops skill and encourages good sportsmanship, but creates a feeling of sincere pride in the fact that you belong to S.C.I. & T.S. In what better way can "School Spirit" be shown than by striving determinedly on a basketball or volleyball court, to win honours for yourself, your classmates, and your school?

We certainly have good reason to be proud of the spirit of this school, but let us not become complacent. Let us work diligently to maintain our claim to "Work with a will for our Knowledge and Skill, at the S.C.I.T.S.".

Near the first of each year, the nominees for the Girl's Athletic Association are notified, and if they consent to run, become candidates for an election by the female student body. The girls must submit a picture of themselves which is placed on the bulletin board in the girls gym. After everyone has had sufficient time to look at the pictures, the ballots are passed out during Health Education period and the executive as well as new members for the year's G.A.A. are determined.

This year, the girls had each form select a representative to the G.A.A. whose main job is to supervise the girls gym.

Many of you, particularly those who are new to the school, may wonder "Exactly what does the G.A.A. do?" In answer to this question, let me say that these girls see to it that the female athletic side of school life at SCITS is active and runs smoothly. Besides this, they are responsible for helping the teachers to make up sports schedules and, another very important job is to total the points for each girl who participated. This, of course goes toward obtaining your school letter.

Although a lot work is involved, the G.A.A. does manage to have fun. Each year they sponsor a school dance, hold inter-school sports tournaments and think up some weird ways to raise money for the banquet held at the close of the school year. The purpose of this banquet is to present deserving students with tabs and trophies.

This was done last year, with a great deal of success, by selling SCITS sweatshirts. Already this year the G.A.A. have sponsored the Inter-School All-Star Volleyball Tournament, held in December, and are busily planning future events.

This vital organization certainly deserves our wholehearted support in all of their ventures. (My sincere thanks to Kathy Ewener for the foregoing information.)

CHEERLEADERS

Once again, our cheerleaders have lived up to their unparalleled reputation for zest and stamina. The squad this year included; Maureen Fulcher (Captain), Jean Barnes, Kerry Kirby, Janis Levan, Beth Rinker, Bonnie Stewart, Chris Walker, and Bev Walters. Instead of appointing an alternate, the girls each took a turn at this. The aspirants, judged under the expert eyes of Miss Downey, Miss Fenwick, and Mrs. Gough, were chosen on the basis of running, knowledge of cheer and actions, style, posture, enthusiasm and energy, facial expression,

jumps, cart wheels and self-confidence. They proved repeatedly that the best possible candidates were chosen. Special recognition is due of course to Maureen Fulcher, who became Miss Red Feather this year. I'm sure that everyone, especially those here at SCITS feel that Maureen deserved this honour and this makes us prouder still of our cheerleading team. Our heartiest congratulations for a difficult job well done.

INTER-FORM VOLLEYBALL

Senior Team

Lynne Swales (Captain), Bunny Hubbard, Susan Isom, Susan Brown, Susan Smith, Kerri Peterson, Nancy Stone, Joyce Storozuk, Pauline Johnson, Sandra Sharp, Louise Reed, Carol Lucas, Cathy Ricketts, Tisa Truesdell, Marilyn Rawson, Joyce Prudom.

Response to inter-form volleyball this year, was excellent. In nearly every form all who possibly could, came out. Keep up this fine display of school spirit!

When all of the games had been played, 11A, 11B and 11C wound up in a 3 way tie. After the winners competed, this time against C Special. This match was one that everyone should have had the opportunity to view. C Special seemed to have the game in the bag, but 11C came through with one final determined effort to win the Senior Championship. This gave them the chance to compete against the other schools at Northern. Unfortunately they weren't as successful away from home, but certainly deserve since congratulations for playing some really good volleyball.

GAME AGAINST CENTRAL

On October 30th of last year, our W.O.S.S.A. Volleyball team, in preparation for the tournament, matched their skill against Central. Each team played 3 games. The seniors won their first game by a large majority, were defeated the second, but came through in the 3rd. game to win the series.

Our juniors lost their 1st game, were successful in the 2nd. but succumbed to Central in the 3rd. Good sportsmanship was evident throughout all of the games, which were enjoyed by spectators as well as participants.

ALL STAR VOLLEYBALL

On December 2, 1963, our Seniors collected a second victory when they defeated St. Clair. They played an excellent game and won by a copious margin.

Our juniors, although they tried hard, couldn't seem to get warmed up, and lost their two games.

At our next contest against Central the tables were turned. Our juniors triumphed in two consecutive games and deserve hearty congratulations for showing such tremendous improvement.

Our Seniors endeavoured determinedly to succeed in their first game, but after being defeated, seemed to loose heart and succumbed to Central in their second game also.

On December 19, 1963 our seniors went to St. Pat's to compete against Northern in the best two out of three matches. These, I thing, were the closest games up to that point. Throughout both games, the score drifted repeatedly from one side to the other. As luck would have it, however, when the contest ended, Northern edged us by a narrow margin. Our team is to be commended for such a fine display of skill and team work.

BADMINTON

Toward the end of the term, when everyone is cramming industriously for finals, a number of our female students take time out to relax with a game of badminton. For those who are not familiar with the game, there are always a few of our more experienced seniors to instruct them. Naturally, our best players are rewarded for their efforts with pennants for their home-room. For 1963, the junior winners were Glenda Barkwell and Audrey Sheppard. Intermediate winners were Lynn Swales and Susan Smith. Our grand champions were Bev Black and Joyce Pyette, who not only took the senior championship for the school but captured the Doubles Championship for the city. Congratulations for all of our victories.

ALL-STAR TOURNAMENT

The grand finale for the volleyball season occurred on the afternoon of Dec. 11/63 in the form of a tournament at Northern. Here, each school contested in a three-game series, against the remaining four high schools.

The seniors gave Central some competition this time and were defeated by only a few points. This was quite good, since Central finished in first place. St. Pat's won by a close majority in the first game and SCITS won in the second, but were downed in the third. We had trouble with Northern, but triumphed easily over St. Clair. The juniors couldn't seem to get started right, and forfeited their four games.

Both teams deserve a lot of credit for their splendid effort. They all proved themselves as good sports and had an optimistic determination to win despite failures. In spite of all failures they had, they gave some real competition and made the other schools fight for the points they received.

The account of the all-star volleyball teams wouldn't be complete without mentioning two very vital people, their coaches. Their guidance, instruction, patience, and above all their encouragement and sense of humor, kept our girls striving for victory, improving their skills, and enjoying every minute of it. To Miss Fenwick, (Seniors) and Miss Downey (Juniors) a sincere "Thank you", for giving up your time and yourselves to make this event possible.

W.O.S.S.A. TOURNAMENT

At 7 a.m. one cold, bleak, Saturday morning last November 2nd, while most of us slept peacefully in warm beds, a group of tired but enthusiastic girls from S.C.I., lumbered through a blinding snow blizzard to the town of Aylmer. These girls composed our representatives at the W.O.S.S.A. Volleyball Tournament.

On the senior team were: Diane Allingham, Glenna Beauchamp, Bev Black, Julia Brown, Linda Doyle, Marina Elzinga, Joy Heather, Pat Jackson (captain), Marlene McGill, and Lynne Swales.

The juniors included: Penny Cousins, Cynthia Dayman, Barb Garrett (captain), Caroline Giggey, Alice MacKinnon, Linda McDonald, Chris Peterson, Rosemary Sekerak, Eva Simech, Sally Thorner, and Mary Ann Timmington.

Each team played two rivals. The seniors played against one team from Woodstock and a team from London. The juniors competed against two London schools. Both teams are to be commended for trying their best and putting up a good fight. Our opponents, however, being experienced veterans of W.O.S.S.A., were more skillful, and we were defeated.

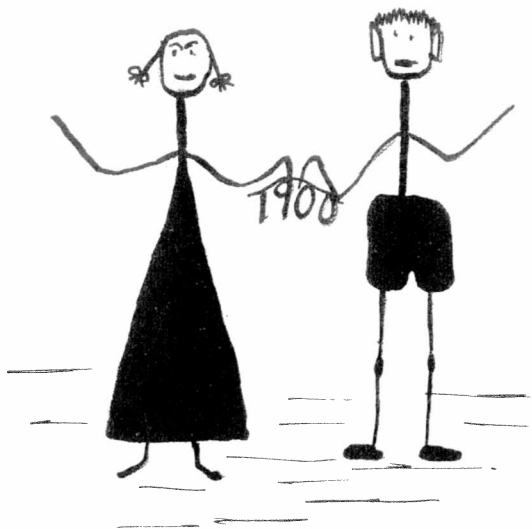

The girls profited from this experience, though, and after viewing demonstrations of volleyball played its best, came back eager to show the other Sarnia schools how good volleyball is played.

GIRLS' ALL STAR BASKETBALL

Last February, our school entered a senior and a junior all-star basketball team in a city-wide tournament held at Central Collegiate. Once again, S.C.I.T.S. maintained its reputation for good sportsmanship and dauntless effort. Unfortunately, we didn't win any honours, but our girls most certainly deserve a lot of credit for such a fine showing; even after their late start.

The members of the senior team were: Marina Elzinga, Sue Cousins, Elke Ramsden, Dianne Allingham, Marlene McGill, Paulene Sproule, Ruth Ann Chappel, Sue Isom, Jo-Anne and Cheryl Giesbrecht.

Our junior team consisted of: Fath Dubois, Lynne Hargraves, Sally Thorner, Mary Ellen Vince, Linda McDonald, Alice MacKinnon, Darlene O'Reilly, Win Vandenburg, Gail Bressette, Joy Heather, Charlotte Forbes, Pat Taylor and Marily Richardson.

V.I.T. VERY IMPORTANT THING

To promote school spirit for the first football game of the year the Student's Council and the Letterman's Club organized a parade of decorated cars representing school clubs and individuals and the French Club's horse-drawn wagon through downtown to the park. Congratulations to the Student's Council and the Letterman's Club for the very successful parade. A special thanks to the Students for their co-operation in this effort.

BLUE AND WHITE DAY

The Student's Council proclaimed September the 27th., the day of the first football game, BLUE AND WHITE DAY. Again this year as usual there was a good response to this annual event.

THE WELCOME WIGGLE

The first dance of the year was sponsored by the Student's Council. The boy's gym was decorated in the traditional school colours of blue and white. "Northerners" came down to a warmer climate to enjoy an entertaining evening which included special dances. Thanks to the Student's Council for the successful dance which was mainly to welcome the Grade Nines.

JUNIOR COMMENCEMENT

A special morning assembly was held on October 25, to honour the award winners from grades 9-11. Special guests and teachers presented the students with their various awards. After the assembly a reception was held for the parents in the cafeteria which was decorated for the Senior Commencement. Congratulations to the students who won awards.

SENIOR COMMENCEMENT

Saturday night, October 26, the annual graduation ceremonies were held in the auditorium. Diplomas, scholarships, honour pins, and other awards were presented to the graduates by guests and teachers. Following the exercises a reception was held in the cafeteria which was decorated in the school colours. On one wall was the school shield and a sign welcoming the graduates. Since there wasn't a dance a few students held parties for those who were "commencing". Congratulations to the "grads" from everyone at S.C.I.T.S.

WITCHES' HANGOVER

On Friday night, Nov. 1, the Key Club held their annual dance to which Central was invited. The gym was decked out in the traditional blue and yellow Key Club colours. Gary McCord was the disc-jockey and there were special dances and prizes, which as one Key Clubber said helped to make the dance a success. We wish the Key Club the same success in their annual dance in the following years and with all their other worthwhile projects.

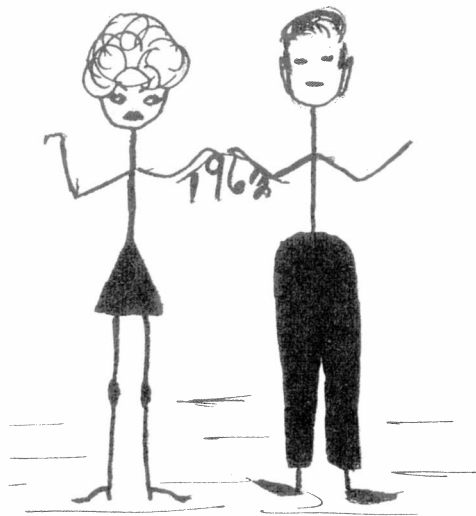

CHRISTMAS TOY TUMBLE

The last dance of '63, the 2nd. annual CHRISTMAS TOY TUMBLE, was sponsored by the Student's Council and held on December 13. The admission to this dance was one useable toy and one thin dime. The toys went to the Children's Aid Society so that the children under their care would have a Christmas.

The S.C.I.T.S. Dance Band, Danny and the Embers, and the Stacottos played in the cafeteria. While in the gym Gary McCord played his records for S.C.I.T.S. students as well as those from Central and other schools.

The dance was highlighted by two special visitors. Shortly after the dance began the fire alarm began to ring. In about 15 minutes the firemen came rushing in prepared to fight the fire. False Alarm! The alarm went because of a short circuit. Later on our second set of visitors arrived, Santa Claus in his sleigh which was pulled and pushed by a number of reindeer.

Congratulations to the Student's Council for this dance which was probably the most successful one of 1963. Let us hope that this will continue to be an annual event in the history of S.C.I.T.S.

DRESS-UP DAYS

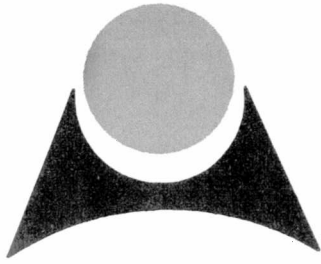

The Student's Council proclaimed the first Monday of each month to be set aside as DRESS-UP DAYS. This meant that the boys must wear suits and ties and that the girls can't wear bobby-socks.

Even though the students are reminded of this special event there was usually a poor response. I don't know whether they just forget about it or couldn't be bothered getting dressed up.

Attendance at the Tea Dances which were held in the boy's gym at the conclusion of the school day was small because to attend you had to be dressed up which few were, the boy's sports that were being held and the country pupils had to go home. Let's hope that next year there will be a better response to the Tea Dances and Dress-Up Days.

CUPID'S CUDDLE-TWIRP DANCE

On Valentine's Day the girls of S.C.I.T.S. assuming the roles of "gentlemen" performed such as carrying boy's books, opening doors and paying their escorts way to the Cupid's Cuddle. The Student's Council had, as special guests for our entertainment the Stacottos and the Two and One. The Twirp Dance which was attended by a small number of students, brought to a close a long-awaited and greatly enjoyed day especially by the boys.
